MANUSCRIPTS: The Ohio Journal of Science considers original contributions
and invited reviews based on investigations of current scientific interest. Special
consideration will be given to short papers (no more than six double-spaced type-
written pages) and Ohioiana. All papers will be reviewed critically and are subject
to the approval of the Editorial Committee.

An original and one copy of each manuscript must be submitted to the Editor.
An additional copy of the paper should be retained by the author for reference.
The title page should indicate the mailing address of the individual to whom cor-
respondence should be addressed. Galley proof, engraver's proof, and the original
manuscript will be returned to the author for final approval of the materials as set.
See past numbers of the Journal and the Style Manual for Biological Journals for
detailed instructions concerning the preparation of manuscripts.

REPRINTS: A price list for reprints and an order form are sent with proof.
Authors should allow about sixty days after publication for receipt of reprints.

SUBSCRIPTIONS: Annual subscription $10.00 (foreign countries, $10.50).
Single numbers: $2.25; single volumes (six numbers): $12.00; runs of ten or more
volumes: $10.00 per volume. Issued bimonthly, January to November. The Ohio Journal of Science is sent without additional expense to all paid-up members of The Ohio Academy of Science.

MAILING ADDRESSES: The editorial office of The Ohio Journal of Science
is the Department of Physiology, Ohio State University, 333 West 10th Avenue,
