How to get to Youngstown
102nd Annual Meeting - Registration Form

The Ohio Academy of Science
April 30; May 1-2, 1993 -- Hosted by Youngstown State University

Advance registration must be received by April 16, 1993.

ALL presenters and other participants must register. Access to sessions by name tag only. Name tags and information packet will be available at Meeting Registration Desk. Please return the completed registration form along with the appropriate fees to the address printed below. A confirmation and receipt for pre-registration received by April 16 will be mailed to the address listed below. Those registered after April 16 will be able to pick up their receipt at the Meeting Registration Desk.

PLEASE PRINT OR TYPE. Please use a separate form for each registration. COPY this form as needed.

Circle; Ms. Mrs. Mr. Dr. NAME ________________________________________________ TITLE _______________________
SCHOOL or EMPLOYER ___________________________________________ Social Security Number ________________
ADDRESS __________________________________________________________ Is this a home address? Yes No
CITY ___________________________ STATE _______ ZIP ______________________
HOME PHONE (___) ______________ WORK PHONE (___) ______________ FAX (___) ______________

REGISTRATION FEES: Please fill in the amount. One fee covers ALL THREE DAYS. To avoid higher rates, Advance Registration and payment must be received by April 16, 1993. On-site Registration will be accepted at the higher rate.

Member of The Ohio Academy of Science

___ Professional Registration $30 ($35 after April 16, 1993) $ ______________
___ Student Registration $15 ($20 after April 16, 1993) $ ______________

Non-Member - includes membership for FIRST TIME members only.

___ Professional Registration $55 ($60 after April 16, 1993) $ ______________
___ Student Registration $30 ($35 after April 16, 1993) $ ______________

RENEWAL of Membership in The Ohio Academy of Science

___ Student $15 ___ Professional $40 ___ Family $50 $ ______________

MEALS (available ONLY by preregistration. N.A. after April 16)

___ Friday, April 30 Dinner $20.00 $ ______________
___ Saturday, May 1 Graduate Student Luncheon $5.00 $ ______________
___ Saturday, May 1 Banquet $20.00 $ ______________

TOTAL ENCLOSED $ ______________

WHICH OF THE FOLLOWING WILL YOU ATTEND?

FRIDAY, April 30, 1993
___ Symposium or Workshop (Title: ________________________________)

SATURDAY, May 1, 1993
___ Technical Section paper and poster presentations
___ All-Academy Lecture

SUNDAY, May 2, 1993
___ Ecology Field Trip ___ Geology Field Trip

METHOD OF PAYMENT: Phone and FAX registrations will be accepted if Purchase Order, MasterCard, VISA, or DISCOVER are used.

NO REFUNDS AFTER April 21, 1993.

___ Confirms a phone or FAX registration.
___ Check enclosed (payable to Youngstown State Univ.)
___ I have enclosed a purchase order.
___ Charge my credit card. ___ VISA ___ MASTERCARD ___ DISCOVER

Card Number ______________ Exp. Date ____________________________
Cardholder signature ____________________________

Advance Registration Deadline: April 16, 1993
THE OHIO JOURNAL OF SCIENCE considers for publication submissions of the following nature:
1. Solicited Submissions - Book Reviews, Research Reviews.
2. Unsolicited Submissions - Brief Notes, Research Reports.

Solicited submissions will be requested by the editor or by a member of the editorial board. Book Reviews will be requested of individuals expert in the subject matter of the book to be reviewed. The approximate length will be 750 words, and the text will include a brief description of the subject matter addressed by the volume, its outstanding strong points, and any obvious weaknesses. Research Reviews are brief (five to ten pages of typescript) and will contain no more than one piece of illustrative material. The title must be typed in upper and lower case letters as it will appear when typeset. Name(s) of the author(s) should be typed in capital letters. Unless the latter occurred, of the main findings, both positive and negative if the latter occurred, of the main findings, both positive and negative if the latter occurred, of the

UNSOLOCTED SUBMISSIONS, IN THE FORM OF PRESENTATIONS OF QUANTITATIVE OR QUALITATIVE DATA PERTINENT TO ANY OF THE SECTIONS OF THE ACADEMY LISTED INSIDE THE FRONT COVER, WILL BE CONSIDERED FOR PUBLICATION. RESEARCH REPORTS ARE ANONYMOUS, WHICH MEANS THAT THEY WILL BE REVIEWED BY OTHERS, NOT BY THE EDITOR OR A MEMBER OF THE EDITORIAL STAFF. REGARDLESS OF THE LENGTH OF MANUSCRIPT, UNSOLICITED SUBMISSIONS SHOULD BE ORGANIZED ACCORDING TO THE FOLLOWING FORMAT:

Page 1: Title, Author(s), Affiliation(s), Abstract

Page 2 and the remainder: Body of the Paper in the order: Introduction, Materials and Methods, Results, Discussion, Acknowledgements, Literature Cited, Tables, Figure Legends, Figures.

STYLE. The general style of papers previously published by THE OHIO JOURNAL OF SCIENCE should be employed, and can be determined by reading recent issues of THE OHIO JOURNAL OF SCIENCE. Manuscripts should be typewritten with wide margins on 21.5 x 27.9 cm (8.5 x 11 in) paper, and double-spaced throughout including the title and abstract. The only words to be underlined are scientific names. Spell out numbers one through nine and use Arabic numerals above nine. Extensive quotations in the text should be typed slightly indented from the other text. Acceptable symbols and abbreviations for units of measurement should be used as given in the CBE Style Manual, 5th ed. (Council of Biology Editors, 9455 Rockville Pike, Bethesda, MD 20814). This volume is used primarily for editorial decisions with regard to style. Primary text reference should use the International System of Units in all cases, with parenthetical reference to CBE Style Manual, 5th ed., in the interior of the table. Figures should be referred to parenthetically in the text, for example (Fig. 1).

FIGURES. Each figure must have a complete legend even though the material is described in the text. The legends should not be placed on the figure, but should be typed in order, double-spaced, on a separate sheet which precedes the figures in the manuscript. Figures should be referred to parenthetically in the text, for example (Fig. 1).

FOOTNOTES. Text footnotes should not be used with the following exceptions. A footnote to a table will be added editorially to state the dates of manuscript submission and revision. A footnote to a figure must be used to indicate a present address different from that at which the research was done, or to indicate the author to whom inquiries should be directed. All other material or comments must be incorporated into the text. In no case should literature citations be inserted as footnotes. They must be listed in the Literature Cited section. Footnotes to tables are permissible, and are encouraged to promote clarity.

Attention to the above instructions will minimize the need for revision and editorial correction, and will shorten the time from submission to publication.

ACKNOWLEDGEMENTS. Colleagues and/or sources of financial support to whom thanks are due for assistance rendered in completion of the research or preparation of the manuscript should be recognized in this section rather than in the body of the text.

LITERATURE CITED. References to scientific literature should be arranged alphabetically by first author's last name according to the following examples.

Abbreviation of journal titles should be supplied by the author, and should be formatted in the form J. Clim. Appl. Meteorol. rather than in the body of the text.

FIGURE LEGENDS. Each figure must have a complete legend even though the material is described in the text. The legends should not be placed on the figure, but should be typed in order, double-spaced, on a separate sheet which precedes the figures in the manuscript. Figures should be referred to parenthetically in the text, for example (Fig. 1).

FIGURES. Each figure must have a complete legend even though the material is described in the text. The legends should not be placed on the figure, but should be typed in order, double-spaced, on a separate sheet which precedes the figures in the manuscript. Figures should be referred to parenthetically in the text, for example (Fig. 1).

HIGHLIGHTS
102ND ANNUAL MEETING
THE OHIO ACADEMY OF SCIENCE
HOSTED BY
YOUNGSTOWN STATE UNIVERSITY
AND
BROWNING FERRIS INDUSTRIES, INC.
APRIL 30; MAY 1-2, 1993

Workshops, Symposia, Poster Sessions, and Technical Sessions (Podium Presentations), Special Lectures, Field Trips, Social Events and Business Meetings

Workshops
- Animals in the Classroom
- ADA: Americans with Disabilities Act
- Women in Science Programs in Ohio: The B-WISER Institute, Where do we go from here?

Symposia
- State Sponsored Outreach Programs Supporting Technology Development
- Water Quality in the Upper Ohio River Drainage Basin
- Environmental Health Sciences
- The Changing Face of Engineering

Poster Sessions
- Senior Academy
- Junior Academy (Pre-College Students)

Technical Sessions (Podium Presentations)
- Aquatic & Wetlands Ecology
- Aquatic Toxicology
- Archaeology, Geography, & Regional Development
- Behavioral Physiology, Entomology, & Botany
- Cell & Molecular Biology
- Clinical Medicine & Nursing
- Earth & Space Sciences
- Electrical Engineering & Machine Vision
- Engineering, General, Civil, & Engineering Education
- Environmental Pollution & Abatement
- Geography, Literary Geography, Communications
- Geohydrology
- Issues and Methods in Science Education
- Junior Academy (Pre-college papers)
- Library Science
- Medical Physiology
- Medical Sciences and Nutrition
- Molecular Genetics
- Physical & Mathematical Sciences
- Plant and Aquatic Ecology
- Resource Management and Environmental Protection
- Science Education
- Social & Behavioral Sciences
- Teaching Methodology
- Terrestrial Ecology
- Trends in Science Education, Model Curriculum, Partnerships, and Proposal Development

Special Lectures
- DR. LAUREN A. SCHROEDER -- Industrial and Post-Industrial Mahoning River
- DR. JAMES ADOVASIO -- Ice Age Hunters in the Central Russian Plain
- President's Address by DR. RICHARD W. JANSON -- Technology: Tomorrow's Determinate

Field Trips
- Browning-Ferris Industries Industrial Landfill
- Mill Creek Park

Social
- Graduate Student Luncheon - Tips for Success in Graduate School
- Friday Dinner
- Saturday Banquet

Business Meetings
- The Ohio Academy of Science and The Ohio Biological Survey

For details see the April Program Abstracts issue of The Ohio Journal of Science.
