of Abbott Laboratories, Columbus
Held at Otterbein College, Westerville

APRIL 28, 29, 30, 1995
THE OHIO JOURNAL OF SCIENCE
ISSN 0030-0950

Editorial Policy:

General:
The Ohio Journal of Science considers original contributions from members and non-members of the Academy in all fields of science. While special consideration will be given to manuscripts concerned with Ohio subject matter, other reports with scientific merit will be reviewed for publication. Submission of a manuscript is understood to mean that the work is original and unpublished, and is not being considered for publication elsewhere. All manuscripts considered for publication will be peer-reviewed. The opinions expressed by reviewers are their own, and do not represent the views of the Ohio Academy of Science or the Ohio Journal of Science. Manuscripts and illustrations should be prepared in triplicate in accordance with current guidelines published in The Journal at least once a year, and submitted to:

Dr. Lee A. Meserve, Editor
The Ohio Journal of Science
Department of Biological Sciences
Bowling Green State University
Bowling Green, OH 43403-0212

Page Charges:
Publication of The Ohio Journal of Science requires that authors assist in meeting publication expenses. These costs will be assessed at $70 per page for members of the Academy and $105 per page for non-members. Papers which exceed 12 printed pages may be charged full production costs. A bill for page charges will be sent to the communicating author by the Ohio Academy of Science at the time of publication.

Failure to Receive the Journal:
Any claim of failure to receive subscription issues of The Journal must be submitted to the Ohio Academy of Science within six months of the date of issue of the missing number, to be recognized.
