The Journal could not exist without the help of its expert reviewers. The donation of their time and expertise, as well as their dedication to quality, is greatly appreciated by the Editors. The following individuals reviewed manuscripts during 2003 and 2004. The Editor apologizes for anyone who was accidentally left off of this list.

Scott Abella, Northern Arizona Univ, Flagstaff, AZ
Judson Ahern, Univ of Oklahoma, Norman, OK
James Amon, Wright State Univ, Dayton, OH
Barbara Andreas, Kent State Univ, Kent, OH
Robert Bartolotta, Cleveland Museum of Natural History, Cleveland, OH
Gary Benfield, Akron Neonatology, Akron, OH
Robert Blodgett, Oregon State Univ, Corvallis, OR
Bernd Blossey, Cornell Univ, Ithaca, NY

Julie Wolin, Cleveland State Univ, Cleveland, OH
Science Academy Elects President, Trustees

University of Toledo associate professor of geology Dr. Mark Camp has been elected President of The Ohio Academy of Science for 2005-2006. Following Dr. Camp will be Ohio University Professor of Chemistry, Dr. James Y. Tong, who will serve as Academy President in 2006-2007.

Also elected to the Board of Trustees were Dr. Horton Hobbs, a professor of biology and past department chair at Wittenberg University, Springfield; Mr. Richard Benz who teaches biology and has served as the science department chair for 31 years at Wickliffe High School, Wickliffe; Dr. Norman R. Fausey, a soil scientist employed by the United States Department of Agriculture, Agricultural Research Service, Columbus; Mr. Rodney A. Sheets, Jr., the ground-water specialist and a staff hydrologist for the United States Geological Survey, Water Resources Discipline, Columbus, Ohio; Dr. Maria G.V. Rosenthal, a Senior Scientific Information Analyst at Chemical Abstracts Service, a Division of the American Chemical Society, Columbus; and Dr. Wendy A. Reichenbach, a manager in the Physical Sciences & Chemical Technology Department of Chemical Abstracts Services, Columbus.

Science Academy Names Fellows

The Ohio Academy of Science has elected eight Ohioans and one Floridian honorary Fellows. Fellows have rendered some special service to The Ohio Academy of Science or have made extensive, productive scientific, technological or educational contributions to society. Election as an honorary Fellow is the highest form of recognition by peers offered by The Ohio Academy of Science.

Mr. H. Thomas Bartlett, Tiffin Columbian HS, Tiffin; ornithology and habitat protection
Dr. Robert Cahill Baumiller, Xavier University, Cincinnati; genetics and bioethics
Mr. William Stanton Foulks Jr, independent researcher, Chagrin Falls; polymers
Prof. Ernest L. Hall, University of Cincinnati; robotics
Dr. Yung-Tse Hung, Cleveland State University; environmental engineering
Dr. David M. Jarzen, Marie Selby Botanical Gardens, Gainesville, FL; paleobotany
Dr. Daniel W. Repperger, Air Force Research Laboratory, Wright Patterson Air Force Base; biomedical and electrical engineering
Dr. Thomas J. Rosol, The Ohio State University, Columbus; cancer research and research administration
Mr. Gabor Szekely, Bowling Green State University; probability, bioinformatics and actuarial science

An application for Fellow is available at: http://www.ohiosci.org/fellowapplication.pdf
Preliminary

CALL FOR PAPERS

115th Annual Meeting
The Ohio Academy of Science

April 22, 2006

Hosted by
The University of Dayton

for details see http://www.ohiosci.org

Abstract Deadline:
Postmarked by November 7, 2005
