"The Huddle"

Signal: "Timken-Equipped" for Sure Gain

THERE is one way to get "the old college spirit" into everything mechanical which transmits power through moving parts — see that it is "Timken-Equipped". For then friction is held in check, working parts are preserved to "FIGHT", "FIGHT", "FIGHT" wear with Timken tapered construction, Timken POSITIVELY ALIGNED ROLLS and Timken electric steel. This is worth remembering in buying or designing motor cars and all other machinery.
