What to Do with Difference: The ADA, Special Education, and Disability
Alan Gartner ............................................................................................. 555

Faculty Editor: Ruth Colker, Heck-Faust Memorial Chair in Constitutional Law, The Ohio State University. 

The papers in this symposium were presented at The Ohio State University College of Law on April 7, 2000. The editors of the Ohio State Law Journal would like to acknowledge all the people who made the symposium possible. Special thanks is extended to Ruth Colker, our faculty editor, for bringing together such wonderful participants. Leslie Kems, our symposium editor, worked countless hours to plan and organize this event, and, without her assistance, we are certain that this symposium could never have occurred. The Journal also thanks the following for providing the funding that made this symposium possible: Gregory H. Williams (Dean of the College of Law), James J. Brudney (Professor of Law and former director of the Center for Law, Policy, and Social Science), the Center for Law, Policy, and Social Science at The Ohio State University, Anderson Publishing Co., the USX Foundation, the Nisonger Center at The Ohio State University, a Multi-Cultural Grant from The Ohio State University, and ADA-OHIO.

There are many others who helped make this symposium a success. Though space limitations prevent us from naming all of them, their assistance was invaluable and greatly appreciated.
