

NEW AND RARE OHIO PLANTS ADDED TO THE STATE HERBARIUM IN 1910.*

JOHN H. SCHAFFNER.

In the catalog of Ohio plants now almost ready for publication, there will be a considerable number of new names and transferred species because of critical studies on different groups. These changes are not included in this list. The species given below represent important additions made in the usual way during the past year. Some species sent in have not yet been carefully studied and so are deferred for a future report.
