**Editorial Policy:**

**General:**

*THE OHIO JOURNAL OF SCIENCE* considers original contributions from members and non-members of the Academy in all fields as listed below under Sections of The Ohio Academy of Science. While special consideration will be given to manuscripts concerned with Ohio subject matter, other reports with scientific merit will be reviewed for publication. Submission of a manuscript is understood to mean that the work is original and unpublished, and is not being considered for publication elsewhere. All manuscripts considered for publication will be peer-reviewed. The opinions expressed by reviewers are their own, and do not represent the views of the Ohio Academy of Science or *THE OHIO JOURNAL OF SCIENCE*. Manuscripts and illustrations should be prepared in **triplicate** in accordance with current guidelines published in *THE JOURNAL* at least once a year, and submitted to:

Dr. Lee A. Meserve, Editor  
*THE OHIO JOURNAL OF SCIENCE*  
Department of Biological Sciences  
Bowling Green State University  
Bowling Green, OH 43403-0212

**Page Charges:**

Publication of *THE OHIO JOURNAL OF SCIENCE* requires that authors assist in meeting publication expenses. These costs will be assessed at \$70 per page for members of the Academy and \$105 per page for non-members. Papers which exceed 12 printed pages may be charged full production costs. A bill for page charges will be sent to the communicating author by the Ohio Academy of Science at the time of publication.

**Failure to Receive *THE JOURNAL*:**

Any claim of failure to receive subscription issues of *THE JOURNAL* must be submitted to the Ohio Academy of Science within six months of date of issue of the missing number, to be recognized.

**Listing Services:**

*THE OHIO JOURNAL OF SCIENCE* is listed or abstracted in several sources including:

Bibliography of Agriculture  
Biological Abstracts  
Chemical Abstracts  
Current Advances in Ecological Sciences  
Current Contents (Agriculture, Biology & Environmental Sciences)  
Deep Sea Research and Oceanography Abstracts  
Environment Abstracts  
Environmental Information Center  
Forest Products Abstracts  
Forestry Abstracts  
Geology Abstracts  
GeoRef  
Helminthological Abstracts  
Horticulture Abstracts  
Nuclear Science Abstracts  
Review of Plant Pathology  
Selected Water Resources Abstracts  
World Agricultural Economics and Rural Sociology Abstracts
