INSTRUCTIONS TO AUTHORS — inside back cover

COVER PHOTO: The Large-Flowered/Large White Trillium, *Trillium grandiflorum*, is the State Wildflower of Ohio. Adopted as a state symbol in 1987, the Trillium is found in most counties of the state from April through June, and is a well-known symbol of Ohio's natural places. The Trillium grows in wooded areas and thickets containing basic to neutral soil. The flower consists of three large white petals with six yellow anthers, atop a whorl of three narrow sepals and three broad leaves. This photo was taken in Delaware County in April 2004.
