# FUNNY

## The Cross-word Puzzles

It was our original intention to give you a puzzle composed entirely of abbreviations, and to a certain point we succeeded, but then those pesky words just would crop out. We're ashamed. We apologize.

Incidentally we are offering a one year subscription to the "Engineer," for each of the five first correct solutions mailed to Room 117, Shops Bldg.

Try and solve it.

### HORIZONTAL

- 1—An asst. professor in the Mechanics Dept.
- 4—Highway for electricity
