ALUMNI NEWS

ARCHITECTURE

Clifford McCoy, '30, won the traveling fellowship of the Foundation for Architecture and Landscape Architecture in competition with graduates from Michigan, Illinois, Iowa, Armour, and Harvard during the summer. McCoy will travel with a landscape architect in Europe for the next year.

This scholarship has been awarded six times and Ohio State graduates have succeeded in winning it three times.

Arthur F. Deam, '21, has been called to the University of Illinois as professor of design where he will have charge of senior work.

Russell M. Krob is teaching architectural design at Columbia University.

CIVIL CLASS OF '30

J. F. Barbee is with the State Highway Department and is stationed in the testing laboratory in the Engineering Experiment Station building on the campus.

H. P. Brooks is junior engineer in the Water Resources Branch of the U. S. Geological Survey with headquarters in Room 404 Engineering Experiment Station Building on the campus.

Chas. W. Buckey is junior engineer with the Topographic Branch of the U. S. Geological Survey and at present is working in Maine. He may be addressed in care of the Survey at Washington, D. C.

R. B. Burkett is doing highway work for the Resident Engineer of State Highways at Findlay.

S. T. Carpenter is with the McClintic-Marshall Company. He may be addressed at 131 Broad St., Leetsdale, Pa.

Geo. J. Cheney is junior engineer in the United States Government service and is stationed at Washington, D. C.

Wm. P. Cross is junior engineer in the Water Resources Branch of the U. S. Geological Survey and is stationed at 315 Federal Building, Indianapolis, Ind.

Robert O. Davis is junior engineer in the U. S. Geological Survey on topographic work in southwestern Colorado. He writes very interestingly from Ouray where he is working in the high mountains. He may be addressed in care of the Topographic Branch of the U. S. Geological Survey, Washington, D. C.

Chas. O. Dawson is instructor in civil engineering at the University of New Hampshire located at Durham.

John M. Dzuro is working for the State Highway Department with the Resident Engineer at London, Ohio.

O. H. Jeffers is junior engineer with the United States Government at Washington, D. C. He is in the Interstate Commerce Commission engineering work.

E. H. Karrer is junior engineer with the U. S.

Government. He is in the Bureau of Public Roads and travels around in different states.

Robert F. Koerner is junior engineer in the U. S. Government service at Washington, D. C.

Kenath A. Kettle is bridge engineer for the State Highway Department working out of the Division Engineer's office at New Philadelphia.

John E. Lynn is in highway engineering work at Coshocton, Ohio, where he may be addressed in care of the State Highway Resident Engineer. He announces the arrival of a daughter in his home.

Ralph E. Mumma passed the United States Civil Service examination for junior engineer and has entered the Government service but has not left his address. He was married early in the summer.

R. H. N. Murray is with Morris Knowles, Inc., 507 Westinghouse Building, Pittsburgh, Pa., in sanitary and hydraulic work which he likes very much according to his letter of September 26.

A. J. N. Truelson is engineer on grade crossing separation work for the City of Newark, Ohio.

Geo. F. Westinghouse is junior engineer in the United States service working on topographic surveys in Maine for the U. S. Geological Survey.

Robt. T. Ziegfeld is working with the State Highway Department in Columbus, Ohio.

Chas. W. Allen is with the American Telephone and Telegraph Company and may be addressed at 31 West Eagle St., Buffalo, New York.

MECHANICAL

The following graduates of '30 are located with the indicated companies:

C. F. Bayer—American Tel. and Tel. Co., Columbus, Ohio.

H. T. Buch—Goodyear Tire and Rubber Co., Akron, Ohio.

W. E. Conrad—Buckeye Steel Casting Co., Columbus, Ohio.

J. J. Daggon—Leland Electric Co., Dayton, Ohio.

H. I. Gall—U. S. Gypsum Co., Detroit, Mich.

J. E. Gickler—Ohio Fuel Gas Co., Columbus, Ohio.

W. J. Grubbs—Radio Service Laboratory, Columbus, Ohio.

R. S. Hanna—Jones and Laughlin Steel Corp., Aliquippa, Pa.

G. H. Hurd—General Electric Co., Schenectady, N. Y.

J. W. Jordan—Bailey Meter Co., Cleveland, Ohio.

C. M. Kitson—Timken Roller Bearing Co., Columbus, Ohio.

A. C. Koenig—Goodyear Zeppelin Corp., Akron, Ohio.

R. W. Kurtz, B. F. Goodrich Rubber Co., Akron, Ohio.

P. R. Lynn—General Electric Co., Schenectady, New York.

H. R. Michener—Pure Oil Co., Columbus, Ohio.

W. S. Payn—United District Heating Co., Cleveland, Ohio.
