URI: <http://hdl.handle.net/1811/34755>

Appears in Collections: [Ohio State Engineer: Volume 14, no. 4 \(February, 1931\)](#)

CHEMICAL

Harold Alman, the president of the American Institute of Chemical Engineers, presided over a meeting which was held in the Chemical Engineering Laboratory January 24 at 4 o'clock. Dr. Fritz, a representative from the Goodyear Tire and Rubber Company of Akron, gave an interesting talk on rubber lining equipment.

CIVIL

On January 22 of this year, President Hoover approved the report of a board of senior officers, selecting three men for promotion to the rank of Captain, Corps of Civil Engineers, U. S. Navy. One of these men was Glenn Smith Burrell, '04. This promotion becomes effective July 1, 1931.

ELECTRICAL

W. Glenn Hardy, '27, will return to the campus in the Spring Quarter to work toward his Master's degree in Electrical Engineering.

MECHANICAL

The American Society of Mechanical Engineers held a meeting February 13 at 4 o'clock in Robinson Laboratory. Jo Barnes Smith presided at the meeting. Plans for the M. E. dance were discussed.
