## ALUMNI NEWS

### ARCHITECTURE

Merrill Barber, '29, recently visited the department. He is now in the employ of the Walker & Week Architect Co., located in Cleveland, Ohio.

Harold Summerfield, '29, is in the employ of the same firm.

### CHEMICAL

Three alumni of the department have just published a paper entitled "A Study of the Activated Carbon of Various Coals and Other Raw Materials," by the Bureau of Mines of the Ohio State Department of Commerce, Washington, D. C. It is an investigation of suitable, cheap raw materials for war gas defense. The authors of the work are: A. C. Fieldner, R. E. Hall, who received his master's degree in the work of this department, and A. E. Galloway who did work in this department a number of years ago but received his master's degree in the Chemistry Department.

Albert S. Fultz, '20, is now employed at the Filtration Products Co., Chicago, Ill.

Dwight S. Masters, '27, is now employed at the Illinois Paint Co., Kankakee, Ill.

### CIVIL

R. O. Morrison, '93, is a practicing civil engineer at Monroe, Louisiana, and lives at 201 Pine Street there.

C. V. Bucher, '08, was a caller on the campus recently. He is division engineer of New York Central Lines at Charleston, W. Va.

R. F. MacDowell, '09, read a paper at a recent Cleveland meeting on his experiences at Havana during the past two years as a sanitary engineer.

George V. Long, '16, is a registered civil engineer living at 139 Goetz St., Saginaw, Michigan.
