Gay/Bisexual Men and AIDS: Are They Mutually Inclusive?
For 10 years, gay and bisexual men have been "blamed" for our era's worst epidemic. Overall, we've been responsible for bringing safer sex to the masses and yet we're still seen as purveyors of a "deadly" disease. Why? And why do younger gay men seem not to care? Join Larry Tyndall, Counseling and Consultation Services and Jim Howley, AIDS educator for a safe space in which to explore the issue.
