This is May 10, 1987. Beginning of church service commemorating the burial of St. Simon relics by the tanks at Vresar on May 10, 1875. The services (liturgy) began here at the temporary (privy-sewage) church of St. Simon at Vresar and ended in the church of St. Simon under construction at Vresar. The first church service in the history of the new church.

As church was filled and there were hundreds of people outdoors.
