

This is May 10, 1987. Beginning of church services commemorating the burning of St. Sava's relics by the Turks at Vraicar on May 10, 1595. The service (liturgija) began here at the temporary (privremenu) Church of St. Sava at Vraicar and ended in the Hram of St. Sava under construction at Vraicar. The first Church service in the history of the new Hram.

The Church was filled & there were hundreds of people outdoors -
