OUR 95th YEAR

WHEN you compare the cost of printing, do you compare the cheap to the cheap, the good to the good, the finest to the finest?

If not, you are falling into an error all too common in a day when even the "hard-headed businessman" seems to have forgotten that you get what you pay for.

Quality for quality, from the cheapest to the finest, your Printing Dollar can buy no greater value than Monotype Printed by Letterpress.
