2 P. M. CENTRAL STANDARD TIME

ISSUED BY

The Ohio State University Athletic Association

## Welcome, Dads!

**A**LL OF US are glad you're here; we've looked forward to your coming. Your visit is more than merely a sight-seeing trip. This football game is only a part of the show.

"Dad's Day" is the idea of the students themselves, approved and assisted by University authorities, in the hope that you fathers of sons and daughters may come to share more intimately the enthusiasm that we here feel for this greatest university in Ohio—this great big educational "service station," for the citizenship of the state.

¶ For the Ohio State University now is doubly yours; because your son or daughter is here; and because you have a stake in this plant as a citizen and taxpayer. And this University of Ohio will grow to be just as great as the fathers and mothers make it—by knowing what it is and does and needs, by creating public sentiment in its behalf, and sending their sons and daughters to this growing state institution of higher education as substantial proof of their interest in it.

¶ So here's a slice of daily campus life—this "Dad's Day." Look us over. Be one of us—today, and when you get back home. And come back often!

BIG SIX SEDAN [Special] \$2650

## THE DOMINANT VALUE IN THE FINE CAR FIELD

A rare combination of elegance and practical utility is offered by Studebaker in the Big-Six Sedan.

Here's the ideal car for your autumn trip and now's the ideal time to go—the most joyous touring days of all the year. Fall, with its glorious foliage, smoky landscapes, bracing air!

The Big-Six Sedan fairly invites luxurious travel with its spacious trunk mounted at the rear and the two extra disc wheels (complete with tires and tubes) carried on the front fenders. An admirable arrangement because it makes access to the trunk so easy and convenient. There's a snug trunk cover to keep your things dustless.

Parlor car comfort and convenience are everywhere evident. Soft carpeting, deep-cushioned upholstery and long semi-elliptic springs—56 inches in the rear; 38 inches in front. The automatic windshield cleanser and rear-view mirror add to the enjoyment of the cross-country tour just as they do in getting about town. The heater is there to take the chill and dampness off cool evenings and to bring you the warmth of your fireside when winter comes.

Nickel plated radiator shell with motometer and ornamental radiator cap add a touch of distinction.

An abundance of light is provided in the Big-Six Sedan. There are the distinctive headlights, artistic coach lamps and the courtesy light just above the running board on the driver's side which illuminates the roadway in passing other cars at night. Inside, opalescent dome and corner reading lights.

Then there are handsome nickel-plated bumpers front and rear, large cowl ventilator that is operated from the instrument board and the thief-proof transmission lock which reduces the cost of theft insurance to Studebaker owners 15 to 20 per cent.

Under the hood is the powerful Bix-Six motor which, like the chassis, enjoys world-wide recognition for its dependability.

Handsome in appearance, thoroughly reliable, the acme of comfort and economical in service. At its price of \$2650, which includes all equipment as shown, the Big-Six represents the dominant value among fine cars. Ready for you when you say so and no extras to buy. You can depend upon Studebaker cars because of the name they bear!

## Ohio State Football Record—1913 to 1922

ONLY one team, Illinois, has won more games than it has lost to Ohio State since 1913, the year in which J. W. Wilce picked up the Buckeye coaching reins. Illinois has a one-game working margin. In nine years the Buckeyes have won 50 games, lost 12 and tied three for a grand average of .806.

The series with every eleven encountered since 1913, stood at the opening of the 1922 season as follows:

## Curtain Dropping on Season of "Firsts"

THE curtain drops today on the football season at home—a season of "firsts." First of all, it has been the baptismal year for Ohio Stadium. A week ago Chicago was here. It was the first visit of a Maroon football team to Columbus. When, after trailing most of the way, the Stagmen came from behind for victory, it was the first time since Ohio State entered the Western Conference in 1913 that a Buckeye team has been defeated in three successive "Big Ten" encounters.

Today we have another first—the appearance of an Iowa football team on a local gridiron. A year ago this stage of the season, fans throughout the middle west were engaged in animated discussion of the relative merits of Iowa and Ohio State and deploring the fact that the two were not scheduled to meet, since both were apparently headed straight for clean records and split championship claims. Then came Illinois' famous forward pass on Ohio Field and Iowa alone among Conference teams finished the season undefeated.

Ohio State has no title aspirations at stake today, but Iowa has. For the Hawkeyes the game is therefore crucial; for Ohio it is an opportunity. A smooth-running, veteran machine

at the height of its form will engage an inexperienced but coming eleven, fighting to find itself.

Chicago had its John Thomas. Iowa has its Gordon Locke, like Thomas a battering ram, but more versatile. Despite the handicap of an injured knee, the Hawkeye captain has been performing in style befitting one who last year was the ruling favorite of critics for All-Western fullback.

Aubrey Devine, Slater and Belding, a great trio, have passed on, but Howard Jones still has a veteran aggregation. Eight of the men who will start against Ohio State today are rounding out their third year of 'varsity experience. Of the other trio, "Doc" Miller, star halfback, is playing his second year; Quarterback Parkin and Right End Hancock are finishing their first year. Already Parkin is as widely known as Captain Locke or the brilliant Kadesky at left end, through his scintillating part in the Hawkeyes' 6 to 0 victory over Yale.

Columbus and Ohio State have an especial welcome today for Howard Jones, himself once a Buckeye. After starring at Yale, Jones tarried for two seasons at Ohio State as coach of the highly successful 1909 and 1910 teams. He has been building teams of increasing strength at Iowa since 1916.

## High Lights on "Big Ten" History

The Western Intercollegiate Conference, now popularly known as the "Big Ten," was organized on January 11, 1895, by presidents of seven middle western universities, meeting in Chicago to consider the regulation of intercollegiate athletics.

Members of the Conference at its inception were: Chicago, Illinois, Michigan, Minnesota, Northwestern, Purdue and Wisconsin.

Indiana and the State University of Iowa were admitted on December 1, 1899.

Ohio State University is the junior member of the "Big Ten," having been admitted to membership on April 6, 1912.

Michigan withdrew from the Conference on January 14, 1908, accepted an invitation to return on June 9, 1917, and resumed membership on November 20, 1917.

Precedent and resolutions rather than a written constitution are the agenda of control in the Western Intercollegiate Conference. Each member institution has a faculty representative entitled to one vote. No person who receives pay for services connected with athletics or the Department of Physical Education is eligible to sit as a Conference representative.

Annual meetings are held in Chicago in December. Called meetings are held as necessity arises. A majority vote of representatives passes any measure, but all legislation must go to the faculties of the member institutions for approval. Any measure rejected within 60 days by one or more faculties must be reconsidered at the next meeting of the Conference. The measure becomes operative, however, if again passed by a majority vote and any institution rejecting it a second time is subject to suspension from the Conference.

## IOWA SONGS

### OLD GOLD

(University of Iowa Hymn)

O, Iowa, calm and secure on thy hill  
Looking down on the river below.  
With a dignity born of the dominant  
ant will  
Of the men that have lived long  
ago.  
O, heir of the glory of pioneer days.  
Let thy spirit be proud as of old.  
For thou shalt find blessing and honor  
and praise  
In the daughters and sons of Old  
Gold.

We shall sing and be glad with the  
days as they fly  
In the time that we spend in thy  
halls.  
And in sadness we'll part when the  
days have gone by  
And our path turns away from thy  
walls:  
Till the waters no more in thy river  
shall run  
Till the stars in the heavens grow  
cold  
We shall sing of the glory and fame  
thou hast won  
And the love that we bear for  
Old Gold.

### ON IOWA

On Iowa, proudly at the fore,  
On Iowa, on forevermore.  
Ev'ry loyal son will give a rousing  
toast to you.  
Ev'ry loyal daughter loves you true.  
On Iowa with your wealth untold, a  
heritage to us you did unfold.  
Love of family, love of friend,  
Love of country too, makes us proud  
for what you stand, our dear  
Old Gold.

### IOWA CORN SONG

We're from I-o-way, I-o-way,  
State of all the land,  
Joy on ev'ry hand.  
We're from I-o-way, I-o-way,  
That's where the tall corn grows.

### THE SONG OF IOWA

You ask what land I love the best.  
Iowa, 'tis Iowa.  
The fairest State of all the West.  
Iowa, O! Iowa.  
From yonder Mississippi's stream  
To where Missouri's waters gleam,  
O! fair it is as poet's dream,  
Iowa, in Iowa.

### IOWA, IOWA

Iowa, Iowa, everybody sings.  
Iowa, Iowa, rings;  
From far away  
My heart will always stay  
Forever and forever at old Iowa.

## CARMEN OHIO

Words and Music by  
Fred Cornell, ex-'06

(Hats off, standing)

O, come, let's sing Ohio's praise  
And songs to Alma Mater raise;  
While our hearts rebounding thrill  
With joy that death alone can still.  
Summer's heat or winter's cold,  
The seasons pass, the years will roll  
Time and change will truly show  
How firm thy friendship—Ohio.

These jolly days of priceless worth  
By far the gladdest days on earth,  
Soon will pass and we not know  
How dearly we love Ohio.  
We should strive to keep thy name  
Of fair repute and spotless fame;  
So in college halls we'll grow  
And love thee better—Ohio.

### Alumni Chorus

Tho' age may dim our mem'ry's  
store,  
We'll think of happy days of yore,  
True to friend and frank to foe,  
As sturdy sons of O-hi-o.  
If on seas of care we roll,  
'Neath blackened sky, o'er barren  
shoal,  
Thots of thee hid darkness go,  
Dear Alma Mater—O-hi-o.  
(All in on last Ohio.)

## THE BUCKEYE BATTLE CRY

Words and Music by Frank Crummit

In old Ohio there's a team,  
That's known thruout the land;  
Eleven warriors, brave and bold,  
Whose fame will ever stand,  
And when the ball goes over,  
Our cheers will reach the sky,  
Ohio field will hear again  
The Buckeye Battle Cry.

Drive! drive on down the field,  
Men of the scarlet and gray;  
Don't let them thru that line,  
We have to win this game today.  
Come on, Ohio! Smash thru to vic-  
tory,  
We cheer you as we go;  
Our honor defend  
So we'll fight to the end  
For O-hi-o.

## ACROSS THE FIELD

Words and Music by  
W. A. Dougherty, Jr., '17

Fight that team across the field,  
Show them Ohio's here,  
Set the earth reverberating with a  
mighty cheer, Rah! Rah! Rah!  
Hit them hard and see how they fall;  
Never let that team get the ball,  
Hail! Hail! the gang's all here,  
So let's beat that Chicago now.  
Oh, Ohio! Oh, Ohio! Wa-hoo! Wa-hoo!  
for Ohio!  
(Repeat to "Oh, Ohio!")

## THE CHANT

Ohi, Buckeye,  
O-HI-O!

Generally they share honors, as on the Midway last November, when the team triumphed over Chicago, conqueror of Princeton, and the "O-H-I-O" and "C-H-I. U" formations of the band left an equally indelible impression. This year the band is better equipped than ever. New instruments have been purchased to keep the big drum company. Over one hundred bandsmen, smart in newly embellished uniforms, have again taken up their jaunty tread behind the now famous Essington strut. "Tubby" and his gang are the life of the party.

# 343 MILES OF PRENTICE LUMBER

WERE USED IN THE CONSTRUCTION OF  
OHIO STADIUM

If the lumber furnished by the Edwin A. Prentice Company for Ohio Stadium were stretched out in a single board 6 inches wide it would extend 343 miles, or approximately the distance between Columbus and Harrisburg, Pa.

Eighty-one carloads or 1,800,000 feet of lumber were needed in the construction of this, the world's largest athletic structure.

Few people realize that lumber was one of the four most essential elements entering into the construction of the Stadium. Without lumber it would have been impossible to pour the concrete, and therefore the selection of the company to supply the lumber was of the highest importance.

We are justly proud that Prentice Lumber was selected. It has been a pleasure to associate ourselves with the E. H. Latham Company and we wish to take this opportunity to congratulate them upon the successful work they have accomplished.

## Changes In Football Rules For 1922

### Choice of Goal or Kick-Off

At the start of the game the winner of the toss may elect whether he desires to kick off or choose the goal which he is to defend. In case the winning captain decides to kick off, the loser shall have the right to elect which goal he will defend. If the winner of the toss selects the goal, then the loser shall have the choice of kicking off or of receiving the kick-off. These choices, once made, are not revocable. At the beginning of the third period these privileges as to choice shall be reversed.

### Try-For-Point

The try-for-point now takes the place of the place-kick formerly allowed after a touch-down. Under the new rules the side scoring a touch-down is permitted to bring the ball out to any point not less than five yards from the goal line, or to any greater distance if they choose, and there the ball is put in play by scrimmage with the side which has just scored having possession of the ball.

They can make any play which is legal from an ordinary scrimmage and endeavor to score by a place-kick, drop kick, a run, a forward pass, etc. Should they by any of these means in a single play put the ball over the goal line, or should they kick a field goal, they will be awarded an extra point.

Should they fail on any of these attempts, the ball becomes dead, play ceases, and the ball is taken back for kick-off, as was done under the old method when the try for goal had proven unsuccessful.

Should the defensive side commit a foul on this play, the attacking side is awarded a point whether or not their attempt to score was successful.

Should the offensive side commit a foul or try an illegal play, no point can be made and the kick-off follows immediately.

Should both sides commit a foul, the play will be tried over again under the same conditions.

It should be remembered that time is out during all the attempts in a try-for-point.

### Clipping

Clipping is defined as "throwing the body from behind across the leg or legs (below the knees) of a player not carrying the ball". In other words, any man who is pursued and cut down from behind has been the victim of clipping. The penalty is loss of fifteen yards from the spot where the ball was put in play.

### Substitution of Players

A player taken out in one half cannot return to the game in the same half, but a player who has been taken out in the first half may return to the game in the second half at any time.

### Offside Man Touching Kicked Ball

If an offside man touches a kicked ball inside the opponents' ten-yard line, the defenders of the goal are awarded a touch-back and gain possession of the ball on their own twenty-yard line. If an offside man touches a kicked ball on any other part of the field, it shall go to the opponents at a point five yards in advance of

the spot where the ball was touched. It should be remembered however that the defensive team may run with the ball and decline this penalty if they so elect. In other words the ball is not automatically dead when touched by an off-side man. On a kick, an off-side man is any man of the kicking side who was ahead of the ball when it was kicked.

### Shift Plays

In all shift plays, "both feet stationary on the ground" is interpreted to mean that a sufficient momentary pause occur as to admit of officials seeing that the play is legal, and that the ball was not snapped while the men were in motion. It is the intention of the rule that when a man shifts to a new position, he shall come to a full stop, so that all momentum is lost, and make a new start from a position of rest when the ball is put in play.

### Requests For Time Out

Each captain may request time out three times during each half without a penalty as in former years. A fourth request, however, entails a two-yard loss and the linesman's stakes are not moved as in previous years.

### Interference Under a Forward Pass By The Offensive Team

If a player of the side making the pass, after crossing the line of scrimmage and after the pass has been made, interferes in any manner with an opponent before the ball has been touched, except in an actual attempt to catch or bat the ball himself, then his team shall suffer a fifteen yard penalty from the spot of the preceding down and the play itself shall count as a down. (Last year it counted as a down only.)

If, however, such offense occurs during a play following the fourth down, the ball shall go to the opponents fifteen yards back of the spot of the preceding down. If the offense occurs behind the goal line on any down, the ball shall go to the defenders of the goal as a touch-back.

### Man-In-Motion Rule

If a player is moving from the line of scrimmage towards his own goal, he must, at the instant the ball is put in play, be at least five yards back of the line of scrimmage and another man must take his place on the line of scrimmage as seven men must be on this line when the ball is put in play. Penalty for violation—five yards.

As in previous years a man back of the line of scrimmage may be in motion either directly or obliquely towards his own goal at the instant the ball is put in play, without penalty.

On kick-off and free kicks the players may be in motion in any direction providing they are behind the ball when it is kicked.

### Approved Rulings

Thirty-two approved rulings which have heretofore been published at the end of the football rules are this year placed in the football code itself and made a part of the different rules which they are intended to interpret. Approved rulings are made by the football rules committee.

## Announcements by the Management

UTMOST effort has been exerted to have the Stadium in readiness for the football season of 1922. Nevertheless some of the niceties that contribute to the comfort and enjoyment of patrons are still lacking. The Athletic Board begs indulgence for the few weeks still necessary to make the new plant one of the finest recreation centers in the world.

A LOST AND FOUND DEPARTMENT has been established at the Athletic House, Sixteenth Avenue and High Street. Articles found should be turned over to the ushers or left at the Athletic House.

ONLY ONE CONCESSION, that covering the sale of refreshments, is licensed by the Athletic Board and thereby privileged to sell within the Stadium.

DOCTORS may leave their seat numbers with the clerk stationed in the southeast tower and will be notified in case a call is registered for them. Telephone numbers are: Citizens 11343; Bell North 7615.

PARKING SPACE FOR AUTOMOBILES is provided east of Neil Avenue, between Eleventh and Twelfth Avenues; at Woodruff and Neil Avenues; in city streets north of Woodruff Avenue, south of Elev-

enth Avenue and east of High Street; on the campus oval, and across the river.

EVERY COURTESY should be extended visiting teams and officials.

REQUESTS FOR INFORMATION REGARDING TICKETS for games either at home or abroad should be addressed to Henry D. Taylor, Room 6, Ohio Union Bldg., University Campus. Telephones: Citizens 11076; Bell North 1259.

EVERY EMPLOYEE WEARS A BADGE bearing a number. Misconduct or discourtesy on the part of attendants should be reported to L. W. St. John, Director of Athletics.

THIS PROGRAM IS PUBLISHED under the direction of the Athletic Department. Address inquiries concerning information or space to the Director of Programs, Athletic House, Ohio State University.

# Durability

We have learned during our sixteen years in business that many elements must enter into durable construction.

Chief among these stands good materials, experienced direction and the full co-operation of those actually engaged in the work.

We have always approached each building project---large and small---determined to give to it these three requisites of durable construction and it is this spirit that has brought us any measure of achievement that may be ours.
