Come and join in the rebirth of a local Dayton chapter of our Society. We seek people interested in the past, archaeology, collecting – everyone invited including ASO members and like-minded individuals. Society members and others who would like to get involved and share the knowledge of our great prehistoric past and meet once a month contact Mike Diano at Mike.diano@yahoo.com. We will prepare a list of interested members and submit it to the State Society for a Chapter Charter.

CONVERSE RECEIVES AWARD
