see! there in the doorway stands the man who loved her best. The
in the stretch! he's leading still! now past the stand they flash. A
open now, the gold she craves lies at his trembling hand. But

wine glass crashes from her hands! her eye now strangely thrills. A
cry rings out: "My God I've lost!" his voice with anguish thrills. A
hark! the watchman's voice: "Who's there?" his heart with fear it thrills. He

piercing scream! a dagger gleam! thus ends the pace that kills. pistol rings! his life's blood springs! thus ends the pace that kills.
turns to fly! a shot! a cry! thus ends the pace that kills.
