## Red Cross Blood Drive

**Thursday, July 31 11 a.m. – 5 p.m. at 18<sup>th</sup> Avenue Library, Room 070/090.**

The American Red Cross has made it halfway through summer but is now facing a looming shortage. Over the past 11 weeks, donations are down approximately 8 percent, resulting in about 80,000 fewer donations than expected. To prevent an emergency shortage and ensure an adequate blood supply for patients, we must make a strong push to increase collections. At this time there is a significant need for donors with types O negative, B negative and A negative blood.

## ***World perspectives on the Great War***

*May 21-September 7*

*Thompson Library Gallery, 1858 Neil Ave.*

The Ohio State University Libraries present “World Perspective on the Great War,” from May 21-September 7, 2014 in the Thompson Library Gallery. The Area Studies Department offers a collection of historical and contemporary perspectives on the 100th anniversary of World War I, which united and devastated many geographically distinct places around the globe. Using library collections to represent their specific area, and the international campus community, each librarian weaves a story of the economic, political, or human repercussions of a conflict that altered history.

## ***Exploring Calvin and Hobbes***

*March 22-August 3*

*Robinson Gallery*

*Billy Ireland Cartoon Library & Museum, Sullivant Hall, 1813 N. High St.*

*Hours: Tuesday-Sunday, 1-5 p.m.*

Exploring Calvin and Hobbes revisits the beloved comic strip created by Bill Watterson from 1985-1995. The exhibition will feature original Calvin and Hobbes dailies and Sundays as well as specialty pieces by Watterson from his collection of more than 3,000 originals housed at the BICLM. This is only the second exhibition devoted to Calvin and Hobbes, which appeared in 2,400 newspapers worldwide at the height of its popularity. Watterson won the National Cartoonists Society’s prestigious Reuben Award for “Outstanding Cartoonist of the Year” in both 1986 and 1988.

## ***The Irresistible Force meets the Immovable Object:***

### ***A Richard Thompson Retrospective***

*March 22-August 3*

*Friends of the Libraries Gallery*

*Billy Ireland Cartoon Library & Museum, Sullivant Hall, 1813 N. High St.*

*Hours: Tuesday-Sunday, 1-5 p.m.*

Richard Thompson, the 2011 winner of the Reuben Award for “Outstanding Cartoonist of the Year,” is featured in the exhibition, *The Irresistible Force Meets the Immovable Object: A Richard Thompson Retrospective*. This exhibit includes gorgeously hand-watercolored Sunday originals and black-and-white dailies from Thompson’s popular comic strip *Cul de Sac*, but will celebrate his lesser-known abilities as a master of caricature, gags, and editorial cartoons— both as cartoonist and painter.
