Notes of Interest

Experience mime as part of theatre: The Intuition Theatre Company will present a 45 minute presentation entitled "The Singing Lemon Sister Cabaret". The three actresses/mimes are very entertaining. This is a program not to be missed - **WED.** 12-1pm in SAB 160. (Sponsored by Lima Campus Cultural Affairs Committee). Remember it's this Wed., not last Thursday.

Don't miss the photographic exhibit on display through Jan. 23: "The Figure as Sculptural Form: Photographs by Nickolas Muray" will continue to be displayed in SAB 160. The exhibit features two styles of photography by 1920's photographer, Nickolas Muray. Viewing hours for the exhibit are listed above.

*****Attention Law Enforcement Students: your attendance is needed at the next meeting of the Criminal Justice Student Association. The meeting is planned for Tuesday at 1 pm in CK 210. If unable to attend, contact Tony Unum. *****

Deadline for Book Exchange Pick-up is Friday: The Student Senate Public Relations Committee reminds those persons who have not yet received payment on books to do so quickly. Your receipts are needed also - whatever you don't pick up, becomes property of the Student Senate. Ask in the Activities Office (GA 015) for assistance.

Student Senate Goes to the Students: This month's Student Senate Meeting will be held in Cook Hall! On Thursday, Jan. 22 at 4 pm in room 204, the Senate wishes to hear student concerns and discuss their projects. Everyone is invited for the Open Forum session (4-4:30pm).

Does the Lima Campus need a Memory/Year Book? Your opinions regarding an annual memory book are needed? Is this a good idea? Would you pay \$6-10 for memento of your year at OSU-Lima/Lima Tech? If interested and can help, a Campus Memory book can be planned for 1987-88!

Campus Student Leaders invited for Meeting of the minds: On Friday, Jan. 23 from 3-5pm in SAB 160, all organization officers are invited to a Motivational Seminar. Hopefully, participants will share ideas on motivating themselves and their members. More information is available from Carole Enneking or Thom Sinn in the Activities Office (GA 015).

Social Activities Board Plans Overnight program: Mark your calendars for Friday, Jan. 30, 1987 from 8pm until 10am. The S.A.B. (a fun group) is planning a night of games, socializing, and eating. Student teams will compete in such events as: 8-ball, Twister, Euchre, and more! Winners will receive prizes, too! This is a free event just for students, faculty and friends of the Lima Campus.

Campus Students Vie for chance to compete in 8-ball and Chess: Tournaments in 8-ball and Chess are to begin Wed. Jan. 21. Winners of these tournaments will compete against other colleges on Feb. 20/21 at the Univ. of Cincinnati. Interested participants must hold a 2.0 or better g.p.a. and be currently enrolled as a student of OSU or LTC. Sign-up sheets are available from the game room attendants (GA 015).
