Lyon is the 2nd largest city in France and is known as an industrial city. But, with the Rhone and Saone Rivers running through it, it is also quite beautiful. Deirdre will present slides and describe the highlights of her recent visit. The trip was co-sponsored by the Rotary International Districts of Northwest Ohio and Lyon, France. A group of business and professional people from this area spent a month in France staying in the homes of residents of the community. Group members visited business and professional offices in Lyon and Deirdre found time to take a few French cooking lessons!
