LET US GIVE THANKS

Let us give thanks..

On Thursday, November 23, we pause in our work and our studies to give thanks. The first Thanksgiving was celebrated in the Plymouth Colony in 1621. Days of Thanksgiving were celebrated sporadically until, on November 26, 1789 President George Washington issued a proclamation of a nation-wide day of thanksgiving. Credit for establishing the day as a national holiday is usually given to Sarah J. Hale, editor and founder of the Ladies' Magazine in Boston. Her editorials in the magazine and letters to President Lincoln resulted in Lincoln's proclamation in 1863 designating the last Thursday in November as a national day of thanksgiving. In 1939 President Franklin Roosevelt and the Congress proclaimed the fourth Thursday but, not the last Thursday as the holiday. Canada observes a Thanksgiving Day on the second Monday in October.

BE AN ANGEL --- MAKE A CHILD'S WISH COME TRUE

Lima Technical College invites all students, faculty and staff to "Be An Angel." Through the Salvation Army Angel Tree Program, you can make this Holiday Season a happier one for some needy children in our community. Each "Angel" card has the child's name, age, sex, and the gift that he/she has requested. You may purchase gifts independently or get a group together to sponsor several angels. Call Paula Siebeneck at ext. 458 to receive an angel(s) card. The gifts will be presented at a special reception. You can drop off the **unwrapped** gifts to Paula Siebeneck, PS 218 by Tuesday, December 5, The Salvation Army has requested that the angel tag with the ID number be on the gift. If you have more than one gift, please make sure the ID number appears on all gifts.

SANGRIA BRINGS A TASTE OF SPAIN TO THE CAMPUS

You will get a taste of the cultures of Spain and Latin America when Simona Munoz brings her group SANGRIA to the stage of the Reed Hall auditorium on Tuesday, November 21 at noon. The Argentinian native has performed as a singer, dancer, and actress throughout Latin America. She is also the producer of Columbus' longest running Spanish-language TV show, *En Espanol*. Dancer Maria Pontones will perform the flamenco dances that are the heart and soul of Spain. Pontones is the founder and lead dancer of *El Ritmo*, a Columbus based flamenco dance troupe. She has studied in Spain with some of the country's top flamenco dancers. Hernan Ortiz sings Latin American folk music and plays guitar with the troupe. He was a member of several folkloric groups in his native Chile before coming to the United States. SANGRIA will close the Noon Series programs for the fall quarter. The first program on the winter series will be a "gallery talk" by artist Steve Perucca of Oxford, Ohio on Thursday, January 18.
