My name is Geoff Doute and I am your student representative to the Ohio State Lima Board of Trustees. The board of who..?

The Board of Trustees is a body of city officials, businessmen/women, and faculty executives that determine issues that influence tuition increases, new food service, scholarships and the like. To state it plainly; their decisions affect you whether you know it or not

So in order to make sure that you are aware of what's going on with your campus, I will be holding open houses on the third week of every month in the Galvin Hall Game Room. Please come down and let me know what is on your mind. Who knows, maybe your idea will change the campus for the better.

See you soon,

Geoff Doute
