November 26, 2007

If you would like to have events added to The Communicator, please email them to communicator@lima.ohio-state.edu by Wednesday at Noon for the following week.
Reporting Crime
The campus encourages prompt, accurate reporting of crimes or suspicious incidents. Any phone on campus may be used. NO COINS REQUIRED—JUST DIAL 8499. All pay phones are equipped to reach the country-wide 9-1-1 emergency system which connects you to all law enforcement agencies, emergency medical services and fire departments.

Safety Steps to Follow
- Lock your doors when driving and parked
- Park near well-lit areas
- Scan the area when you approach your car
- Have keys ready
- Look in the backseat before you get inside
- Travel in groups or buddy system
- Be alert!

Student Escort System
During the evening hours, the parking lots and sidewalks are well lit for your comfort. If you don’t feel comfortable walking alone, call the Security Office at ext. 8499, and someone will escort you to your vehicle. Alternatives include walking with a friend or in groups.

Ohio State Weather Delays and Cancellations Policy
When weather conditions warrant closing the campus, we will try to get that information to the media by 6:00 a.m. Local radio and television carry these announcements. The Ohio State Lima web site also reports campus closings or delays. If weather forces a delay, classes will usually begin at 10:00 a.m.

Students and faculty/staff should report to the place they would normally be at 10:00 a.m. The portion of the class that was scheduled prior to the announced delay time has been cancelled as well as that portion of the same class which extends no more than thirty minutes beyond the delayed start time. For example, if campus delays until 10:00 a.m., a class starting at 8:00 a.m. and ending at 10:20 a.m. has been canceled for the day. However, a class starting at 8:00 a.m. but ending at 11:00 a.m. would still be holding class for one hour starting at 10:00 a.m.

Activities scheduled to begin on or after the delayed start time will be conducted in a normal manner with students held responsible for any material presented.
