Thursday Noon Entertainment- A local Lima group will perform on Thursday in Cook Lobby. The Lima Madrigal Singers are made up of 9 women who enjoy performing madrigal music. The group will appear in period dress and should provide a feeling of the medieval period. The concert will take place from 12-12:45.

Operation Feed- We need everyone to help! If each person on campus were to donate \$1.00 worth of food we could collect almost \$3,000.00 worth of food. That would help a lot of hungry people in Allen County. If you wish to make a cash donation, the money can go to the Salvation Army Food Pantry or to CARE (to send to Ethiopia). Operation Feed is a community service project of the Student Senate. Collection boxes are located in each lobby. Please bring in canned, boxed or dried foods between now and Friday, May 3. Thanks for you help.

Law Day Speaker- Next Monday our campus will be visited by Barry Reed, author and lawyer. Mr. Reed is best known for writing The Verdict (the film starred Paul Newman as a lawyer trying to save his credibility). The Law Day program will be an open speech on Monday, May 6 from 12-1pm in the Auditorium. The topic for the program will be Making of the Verdict- some behind the scenes information about the making of the film and the actual law experiences which inspired the novel. Reed has recently had his second novel published- entitled The Choice. This novel examines the issue of medical malpractice. Barry Reed will also speak in David Adam's Social Problems class at 1pm. A reception for health persons will be held at 3pm. Be sure to take time to meet Mr. Reed or at least listen to his stories. He is supposed to be an exciting and interesting person.
