Tho you tease me with your smiling eyes, I know I love you too.
Sometimes you let me kiss and hold you, Sometimes you turn away.

CHORUS

Sometimes will come when you'll want me,

And my kisses that you laugh away,

Sometimes you'll want my arms around you, So dear you had better tell me
Why do you try to deceive me,
When you know my love is fond and true,
How my heart is aching, sometimes almost breaking,
Just because I love a girl like you.
