Football is a Disease - - - -

. . . a very pleasant malady that knows no age, nor sex nor reason. It attacks the male of the species shortly after birth and increases its hold as the years pass by. It has been known to bruise the muscles, loosen the teeth and even turn the eyes black. It is most virulent in the Fall of the year but results in extreme loquacity during all seasons.

In the adult stage, it settles in the lungs and may be detected by the wild look in the patient's eye, his hoarseness of voice and extreme restlessness that culminates in violent outbreaks on Saturday afternoons. Distended lungs, rumpled clothing and a slightly flattened pocketbook betray the victim to the most casual observer. A faint aroma of juniper berries occasionally accompanies other symptoms.

Today the season opens and from Hangover, New Hampshire, to Pasadena, John W. Public will run amuck among a bristling forest of goal posts. Little towns with sleepy streets will develop parking pains and cities will forget the seriousness of life. Football is here again—that spectacular, vibrant, roaring sport of Fall. And the highest shall bow down and murmur "Allah, give us yards." And the lowest—climb the fence.

Ohio State is fortunate. Today, a new opponent comes to raise the curtain on the pageant of the turf. A new foe who has proved his worth time and again. Who hopes to prove it here today.

Welcome, Mt. Union!

THE BUCKEYE BATTLE CRY

Words and Music by
Frank Crumit

In old Ohio there's a team,
That's known throughout the land—
Eleven warriors, brave and bold,
Whose fame will ever stand,
And when the ball goes over,
Our cheers will reach the sky,
Ohio Field will hear again
The Buckeye Battle Cry.

Drive! Drive on down the field,
Men of the Scarlet and Gray;
Don't let them thru that line,
We have to win this game today,
Come on, Ohio! Smash thru to victory,
We cheer you as we go;
Our honor defend
So we'll fight to the end
For Ohio.

FIGHT ON OHIO

Words and Music by
William A. Dougherty, '17 and '20

The pride of Ohio comes on the field today.
So cheer them on their way
And they will show that Ohio will fight to the finish,
Whatever is the score
They do or die! They glorify!
Ohio ever more!

CHORUS

Fight on Ohio! Drive on down the field.
Fight on Ohio! And never, never yield.
Fight on Ohio! A touchdown now to go.
Fight, fight, fight fight, fight, fight, fight,
For ever Ohio.

They surge on the field in a wave of Scarlet hue.
They're fighting hard for you,
So join our song resounding strong, and cheer to the finish,
And while the echoes roar
They do or die! They glorify!
Ohio ever more!
(Repeat CHORUS)

CARMEN OHIO

Words and Music by Fred Cornell, ex-'06
(Hats off, standing)

O come, let's sing Ohio's praise
And songs to Alma Mater raise;
While our hearts rebounding thrill
With joy that death alone can still.
Summer's heat or winter's cold,
The seasons pass, the years will roll;
Time and change will truly show
How firm thy friendship—Ohio.

These jolly days of priceless worth
By far the gladdest days on earth,
Soon will pass and we not know
How dearly we love Ohio.
We should strive to keep thy name
Of fair repute and spotless fame;
So in college halls we'll grow
And love thee better—Ohio.

Alumni Chorus

Tho' age may dim our mem'ry's store,
We'll think of happy days of yore,
True to friend and frank to foe,
As sturdy sons of O-hi-o.
If on seas of care we roll,
'Neath blackened sky, o'er barren shoal,
Thots of thee bid darkness go,
Dear Alma Mater—O-hi-o.
(All in on last Ohio)

ACROSS THE FIELD

Words and Music by
W. A. Dougherty, Jr., '17

Fight that team across the field.
Show them Ohio's here,
Set the earth reverberating with a mighty cheer,
Hit them hard and see how they fall;
Never let that team get the ball.
Hail! Hail, the gang's all here.
So let's beat that Mt. Union now.
Oh, Ohio! Oh, Ohio! Wa-hoo! Wa-hoo! for Ohio.

MOUNT UNION

Karo! Kero! Kiro! Kee!
Rah! Rah! Rah! for M. U. C.

M-O-U-N-T U-N-I-O-N (faster)

Yea, team!
Hit that line!
Hit that line!
Hit that line! Mount Union!
Biff!—Wow!—Bang!

When you're up, you're up;
When you're down, you're down;
When you're up against the Mount,
The Mount will put you down,
O-h-h, Yes! (Repeat)

O-O-O-Rah!
O-O-O-Rah!
O-O-O-Rah!

ALMA MATER

(Tune, "Men of Harlech")
Words by J. Vizzard Haskell, Class '93

Hark! From mountain, hill and valley
Rings the music as they rally,
Sons and daughters of Mount Union,
Singing songs of praise.
See! They come unceasing,
Care and toil releasing,
Shouting in a mighty chorus
More and more increasing.

CHORUS

Wake the echoes loud with cheering.
Shout again! the day is nearing,
Night is gone with doubt and fearing,
Dear Old M. U. C.

Rouse your souls from sloth and slumber,
Gird yourselves, and join our number
Loyal to Mount Union College,
Rally round her now!
On her worth relying,
Keep her colors flying,
Crown the heroes of her battles
Each with name undying.

Nobly stands the grand old College!
Home of honor, shrine of knowledge!
Storm and Stress and time but prove her
Constant, brave and true;
Mark! each new endeavor
Makes her stronger ever,
Hearts and hands for toil and battle,
May they fail her never!

———

Dear old Mount eleven, we love you,
Dear old Mount eleven, to you we will be true,
Dear old Mount eleven, you're sure to win, we know,
And that is why we love our Mount eleven so!

Fight for Mount Union, Mount team must win.
Fight to the finish, never give in,
Rah! Rah! Rah!
You do your best, boys,
We'll do the rest, boys,
Fight for the Vic-to-ry—
Fight! Fight! Fight!

Dear old Mount, we love you Mount,
You're the finest school we ever knew,
Dear old Mount, we love you Mount,
Where every single fellow is true blue.
When we go a-strolling down old college,
Then our hearts ever turn to thee,
And though we must leave you by and by
We will stand by the Mount, 'till we die.

THE FOOTBALL RULES OF 1930

THE Football Rules of 1930 appear in a completely rearranged form, there being now thirteen rules instead of the former twenty-eight. In addition to a complete rearrangement and regrouping, placing the rules in a more logical sequence, the rules have been almost entirely rewritten in the interest of uniformity and simplicity. A few minor changes have been made as follows:

One of the most progressive and pleasing changes is found in the rules stating—"All officials have concurrent jurisdiction over *fouls* committed by players or others and shall report them to the Referee who shall be the final judge in the event of conflict of testimony and shall enforce the proper penalties." That is to say that no longer can *any* official say, "I saw the foul but it is not within my jurisdiction to call it." The Referee, as before, is given *primary* jurisdiction over possession, position and progress of the ball but the rules now state, "The Referee should instruct other officials to aid him in deciding upon scoring (goal line) plays."

The rules now require that both teams must be upon the field ready to kick-off at the *exact* time scheduled for the opening play of the game and also the second half; previously the rules allowed some leeway or extension of time.

It is now mandatory that at all times each team have a Field Captain upon the field and that he *only* may request time out of the *Referee* and may discuss decisions of rule interpretation (not of judgment of the officials) with the Referee. In every possible manner the rules of 1930 provide for action upon the field rather than to tolerate the exasperating delays which were too often possible under the old rules. Another illustration of this is that the rules prohibit successive times out by one team and a maximum delay of two minutes time out for any cause. That is to say that if Team A has a time out of two minutes, Team B can not then ask for a time out until after the ball has been put in play.

Whenever the ball goes out of bounds *between the goal lines* (backward passed, fumbled or kicked in scrimmage) it will be put in play as an out of bounds play and placed 15 yards from the side-line in the field of play. Formerly it was placed 5 to 15 yards from the side-line at the indication of the Captain and on fumbled balls, the ball formerly was put in play at the spot where it was last touched on the field of play. Thus spectators will see no plays close to the side line as the result of an out of bounds.

The legislation applying to shift and huddle plays has been strengthened in that the rules now provide that "In all shift or huddle plays, all (eleven) players of the team in possession of the ball must come to an absolute stop and must remain stationary in their new positions, without movement of the feet or swaying of the body, head or arms, for a period of *at least* one second before the ball is put in play." Formerly the rule read *"approximately one second."*

If a team in possession of the ball makes a backward pass or fumbles the ball and it *strikes the ground* and is recovered by the opponents it is dead at that point. If, however, the opponent recovers the ball before it strikes the ground he may advance it unless the ball is being carried back from a kick. In the latter case the ball is ruled as a kicked ball still; whenever Team A kicks to Team B and Team A recovers the ball it is dead at the point of recovery. On kick-off, for example, the kicking team may recover but not advance while the receiving team may both recover and advance.

In a new Supplemental Note in Rule 5 the Rules Committee voices its strong deprecation against the wearing of head projectors, jerseys or attachments on jerseys that are so similar in color to the ball that they give the wearers an unfair and unsportsmanlike advantage over their opponents. The Rules suggest that if tanned head protectors are worn the solid color be broken by at least two cross stripes of a markedly contrasting color at least two inches in width and that the solid color of such jerseys be broken by stripes or numbers of a markedly contrasting color. Therefore, we do not anticipate that spectators will see many all tan head gears or jerseys in afternoon games nor white jerseys and white head gears in night games when a white ball is used.

A five yard penalty is provided for the second or more incomplete or illegal pass in any series of four downs. Formerly the penalty was not given on the fourth down; that is to say that if a second or more incomplete pass now occurs on a fourth down the five yard penalty is given (1930) and the ball goes to the opponents also.

If an interference on a forward pass play is called upon the team which made the pass, spectators are urged not to voice protest, saying "Why he never touched that defensive player." The Rules provide that it is interference for an ineligible player of Team A to be in the same zone or near vicinity of the point at which the pass is completed, incompleted or intercepted. Nor can an ineligible player of Team A flank or be in advance of an eligible team mate (in the same zone) nor can he in any manner obstruct the right of way or vision of the Team B player.

In general the game has been altered but little and remains America's foremost popular and most enjoyable amateur team game.
