Range d to g

Indian Pipes, a ghost-like flower found in the grass-grown, all but forgotten trails of the Northern Hills, give rise to a charming Indian Legend of Ghost Pipes left along the forest ways by phantom chiefs.

This song inspired by this tradition has been pronounced by many to be one of the best of recent song writings and a worthy successor to the writer's world famous "By the Waters of Minnetonka."

NO OTHER AMERICAN COMPOSER HAS BEEN REPRESENTED ON THE PROGRAMS OF MANY WORLD-RENOWNED SINGERS AS FREQUENTLY AS THURLOW LIEURANCE.
