R. Ruth Roberts  A Non-Metrical Theory of Sukuma Tone ........................ 135
Information Concerning the OSUWPL

The Working Papers in Linguistics is an occasional publication of the Department of Linguistics of the Ohio State University and usually contains articles written by students and faculty of the department. There are generally one to three issues per year. Information about available issues appears below. Numbers 1, 5, 10 and 23 are out of print and no longer available.

There are two ways to subscribe to WPL. The first is on a regular basis: the subscriber is automatically sent and billed for each issue as it appears. The second is on an issue-by-issue basis: the subscriber is notified in advance of the contents of each issue, and returns an order blank if that particular issue is desired.
