THE OHIO ACADEMY OF SCIENCE.

The twenty-fourth annual meeting of the Ohio Academy of Science was held at Ohio State University, Columbus, on November 26, 27 and 28, 1914, under the presidency of Dr. T. C. Mendenhall, of Ravenna.

The address of the President was delivered Friday evening, on the subject "Some Pioneers of Science in Ohio," and on Saturday morning the Academy listened to a very timely lecture upon "Foot and Mouth Disease" by Dean D. S. White of the College of Veterinary Medicine of Ohio State University.

The trustees of the research fund announced a further gift of $250.00 from Mr. Emerson McMillin, of New York, for the encouragement of the research work of the Academy.

In accordance with the report of a committee appointed a year ago, the Academy voted to deposit the library of the Academy with the library of Ohio State University—an arrangement which may be terminated by either party on suitable notice.

The matter of the celebration of the annual meeting of 1915 as a Quarter Centennial Anniversary was referred to the Executive Committee.

Twenty-three new members were elected, making the total membership of the Academy two hundred and fifty four.
