P. G. Snider is with the Union Switchboard Signal Co. His address is 409 Hampton Ave., Wilkinsburg, Pa.

CHEMICAL ENGINEERING

Dr. Krauss and Dr. Forrester of the DuPont Company were on the campus recently interviewing chemical engineering students for prospective jobs with the DuPont Company.

C. H. Edwards, '28, who has been working with the American Steel and Wire Co., is now located with the United States Aluminum Company, Cleveland, Ohio.

Sam Aronoff, '27, has renewed a contract with the Spencer Kellogg Company, located in New Jersey, and has moved his family to New York.

George R. Greenbank, '17, recently visited the chemical engineering laboratories. Mr. Greenbank took his degree in the Chemistry Department.

He is now in the Department of Milk Evaporation, in the U. S. Dept. of Agriculture at Washington.

Arthur B. Wilder, M.A., '28, majoring in Chemistry, who also took courses in chemical engineering, has been working in West Virginia with the West Vaco Company, in their chlorine plant, with an output of 100 tons a day. He has recently been sent to the Diamond Alkali Company, Painesville, Ohio, to help with the construction of a new chlorine plant.

CERAMIC ENGINEERING

R. A. Snyder, who was graduated in Ceramic Engineering in December, has accepted a position in the Ceramic Research Division of the Westinghouse Electric and Manufacturing Company of East Pittsburgh, Pa.

John H. Page, who was graduated in Ceramic Engineering in December, has accepted a position in the Enamel Department of the Estate Stove Co., at Hamilton, Ohio.

Wm. N. Butterworth, with the Harbison-Walker Refractories Co., Mt. Union, Pa. was on the campus for a few hours recently, enroute to Chicago to inspect new equipment installed in the Chicago plant of the Harbison-Walker Refractories Company.

John M. Neff, with the Bausch and Lomb Optical Co., Rochester, N. Y. was a visitor on the campus during the holidays.

David C. Zimmer, with the John Douglas Co., Cincinnati, Ohio, was a recent visitor on the campus.

Hobart N. Kraner, Chief Ceramic Research Engineer, Westinghouse Electric and Manufacturing Company was a recent visitor at the Ceramic Engineering department.

Karl M. Kautz, '23, has accepted a position with Abingdon Sanitary Manufacturing Company, at Abingdon, Illinois.

CIVIL ENGINEERING

C. L. Boyer, '20, may be addressed at 266 Park Ave., Takoma Park, D. C.

W. C. Dixey, '20, is with the Marsh & McLennan Insurance Company, 15 W. Congress St., Detroit, Michigan.

L. E. Vandegrift, '20, is a member of the City Engineering Staff with offices in the new City Hall at Columbus, Ohio.

John I. Wood, '20, lives at 1677 Virginia Park, Detroit, Michigan.

Arthur J. Hill, '21, lives at 970 Menlo Place, Los Angeles, California.

John L. McClellan, '21, lives at 1241 Pocono Avenue, Swissvale, Pennsylvania.

Paul M. Swingle, '21, is an instructor at the University of Michigan in the department of
