THE OHIO JOURNAL OF SCIENCE

Is published jointly by the Ohio State University and the Ohio Academy of Science.

MANUSCRIPTS. Preference will be given to original manuscripts pertaining to Ohio Science. Articles covering not more than fifteen to twenty pages of the JOURNAL are preferred, although longer articles may be printed. Contributors need not be associated with either the Ohio State University or the Ohio Academy of Science, nor need their contributions deal with the State of Ohio. Manuscripts are subject to the approval of the editor.

ILLUSTRATIONS. When illustrations form part of an article they should preferably accompany the manuscript. If their size does not make this convenient, they should be sent in a separate package properly labeled as to the article for which they are intended. Either half-tones or zinc etchings will be made from original illustrations prepared by the author and will be paid for by the JOURNAL. Use of illustrations not original with the author must bear permission for use and credit to the originator. All illustrations should be made with a view to having them appear within the limits of the printed page, 4 1/2" x 7 1/2".

PROOF. Galley proof will be sent to contributors. It should be returned promptly in order to avoid any disappointment in the matter of publication. Care should be taken to furnish a correct mailing address. The JOURNAL will not assume responsibility for loss of manuscript or proof in the mails.

REPRINTS. A price list for reprints and an order form is sent with proof. This should be returned with the proof. No reprints are furnished free of charge. Shipments will be made upon payment of bills rendered for reprints.

SUBSCRIPTIONS. The Annual subscription is $4.00, (foreign countries, $4.50). Single numbers, $1.00. One volume appears each year and contains six numbers.

By special arrangement with the Ohio Academy of Science, the OHIO JOURNAL OF SCIENCE is sent without additional expense to all members of the Academy who are not in arrears for annual dues.

MAILING ADDRESS. All manuscripts, illustrations, proofs and correspondence dealing with editorial matters should be addressed to Dr. EARL L. GREEN, Botany and Zoology Building, Ohio State University, Columbus 10, Ohio.

All remittances, correspondence dealing with subscriptions, reprints and other business matters should be addressed to Dr. RICHARD A. POPHAM, Botany and Zoology Building, Ohio State University, Columbus, Ohio.
