ENROLL A NEW MEMBER

The Ohio Academy of Science was organized on December 31, 1891, at Columbus, was incorporated on March 12, 1892, and became affiliated with the American Association for the Advancement of Science early in 1920. Its membership has grown from 59 charter members to more than 1200. The membership is representative of the educational and scientific institutions of the State and includes quite a number of persons outside the State.

AIMS—According to the Constitution: "The objects of this Academy shall be the promotion of scientific research and the diffusion of knowledge concerning the various departments of science." In addition to research and publication, the Academy aids in securing legislation which is favorable to scientific projects, as conservation, topographic and geologic survey, and in other important scientific projects.

MEMBERSHIP—Membership is open to all persons interested in science. Members engaged in scientific work may be elected "fellows." Each member receives The Ohio Journal of Science and the publications of The Ohio Biological Survey for the regular annual dues of $3.00. Institution and corporation memberships are also open to such organizations in the state.

SECTIONS—Each member is enrolled in one section for voting purposes, but is privileged to participate in the program of any section. To avoid excessive subdivision into sections as new fields of research develop, symposia which may cut across several fields of interest are scheduled at the annual meeting at hours which permit attendance of persons from various sections. Sections are listed below.

A—Zoology E—Psychology I—Mathematics
B—Botany F—Physics & Astronomy J—Science Education
C—Geology G—Geography K—Anthropology & Sociology
D—Medical Sciences H—Chemistry L—Conservation

MEETINGS—Annual meetings are held at a time and place fixed by the Executive Committee and the Council on the basis of invitations extended by educational institutions presented at the previous annual meeting. A regional plan is followed, so all areas of the state are covered over a period of several years. In addition to the program of scientific addresses and papers, field trips are frequently arranged.

OFFICIAL ORGAN—From 1892 to 1903, the Journal of the Cincinnati Society of Natural History and the technical series of Bulletins of the Ohio Experiment Station were the official organs of the Academy; in 1903 the Ohio Naturalist was made the official organ and continued as such until 1915 when the Ohio Journal of Science became the official organ. Its columns are open to members of the Academy for special contributions, subject to acceptance by the Editorial Board. Articles in all scientific areas appear in the Journal.

RESEARCH FUND—From 1898 to 1922, through the generosity of M. Emerson MacMillan, of New York, a fund was available annually for encouragement of research among the Academy members. An accumulation from this grant together with the annual grant from the A.A.A.S. makes grants for research available to Academy members. This fund is administered by a committee known as the Trustees of the Research Fund.

INFORMATION—Requests for information concerning any part of the Academy program should be addressed to the Secretary, who will either send a reply or will forward the request to the proper person for reply. The current Secretary is:

Dr. Rush Elliott, Ohio University, Athens, Ohio.

THE OHIO ACADEMY OF SCIENCE
(Affiliated with the A.A.A.S.), 19

I desire to become a Member of the Ohio Academy of Science. It is understood that my membership will begin immediately. Dues are attached according to one of the following plans:

1. Application dated before July 1, $3.00 dues for current year, Jan. 1 to Dec. 31, with all copies of The Ohio Journal of Science for the year.

2. Application dated after July 1, check one option:
   □ $3.00 dues for current year, Jan. 1 to Dec. 31, with all copies of The Ohio Journal of Science for the year; or
   □ $1.50 dues for last half of current year, July 1 to Dec. 31, with copies of The Ohio Journal of Science for last six months only.

3. Corporation and Institution Memberships—$25.00 dues for the current year with copies of The Ohio Journal of Science for the year.

Dr. Mr.
Name Miss Mrs. Corp. Inst. (Check title preferred. Please print name)
Address (Print preferred mailing address)
Institution Affiliation

I wish to enroll and vote in Section_________ (one section only—see above).

*Make check payable to The Ohio Academy of Science, and mail to Dr. R. M. Geist, Treasurer, Capital University, Columbus 9, Ohio.
