Studebaker

BIG SIX SEDAN [Special] \$2650

THE DOMINANT VALUE IN THE FINE CAR FIELD

A rare combination of elegance and practical utility is offered by Studebaker in the Big-Six Sedan.

Here's the ideal car for your autumn trip and now's the ideal time to go—the most joyous touring days of all the year. Fall, with its glorious foliage, smoky landscapes, bracing air!

The Big-Six Sedan fairly invites luxurious travel with its spacious trunk mounted at the rear and the two extra disc wheels (complete with tires and tubes) carried on the front fenders. An admirable arrangement because it makes access to the trunk so easy and convenient. There's a snug trunk cover to keep your things dustless.

Parlor car comfort and convenience are everywhere evident. Soft carpeting, deep-cushioned upholstery and long semi-elliptic springs—56 inches in the rear; 33 inches in front. The automatic windshield cleaner and rear-view mirror add to the enjoyment of the cross-country tour just as they do in getting about town. The heater is there to take the chill and dampness off cool evenings and to bring you the warmth of your fireside when winter comes.

Nickel plated radiator shell with motometer and ornamental radiator cap add a touch of distinction.

An abundance of light is provided in the Big-Six Sedan. There are the distinctive headlights, artistic coach lamps and the courtesy light just above the running board on the driver's side which illuminates the roadway in passing other cars at night. Inside, opalescent dome and corner reading lights.

Then there are handsome nickel-plated bumpers front and rear, large cowl ventilator that is operated from the instrument board and the thief-proof transmission lock which reduces the cost of theft insurance to Studebaker owners 15 to 20 per cent.

Under the hood is the powerful Six-Six motor which, like the chassis, enjoys world-wide recognition for its dependability.

Handsome in appearance, thoroughly reliable, the acme of comfort and economical in service. At its price of \$2650, which includes all equipment as shown, the Big-Six represents the dominant value among fine cars. Ready for you when you say so and no extras to buy. You can depend upon Studebaker cars because of the name they bear!

L. W. ST. JOHN

"Saint" was an Ohio State fullback in 1900. He later coached at Fostoria High, Wooster and Ohio Wesleyan. In the fall of 1912 he returned to Ohio State as director of athletics. That very year Ohio State became a member of the Western Intercollegiate Conference. The Stadium is evidence of the success of the St. John regime.

BUCKEYES VICTORIOUS SINCE 1897

THE first Ohio State football team played its first, in fact its only, game with Ohio Wesleyan. That was in April, not October, 1890. Incidentally, Ohio State won, 20 to 14.

Since the first introduction, Ohio Wesleyan and Ohio State football teams and followers have been visiting back and forth like good neighbors. To date they have exchanged visits 23 times. History records that Ohio State has won 20 of the contests incident to the annual calls that have become traditional through the years.

Wesleyan did all of its scalping early. After the original 1890 encounter, five years elapsed before relations were resumed. The 8-8 score of 1895 stands as the only tie Ohio Wesleyan and Ohio State teams have played.

Wesleyan won its first victory over State in 1896. Score, 10 to 4. The Methodists chalked up their last triumph in 1897, by scoring 6 points and handing the Buckeyes a shutout.

The closest Wesleyan has come to blanking an Ohio State team since was in 1911, when the expert toe of "Whitey" Foss gave the Scarlet and Gray a 3 to 0 victory despite the fact that the Red and Black giants were in Buckeye territory much of the afternoon.

On the other hand, Ohio State machines have kept Wesleyan away from the Buckeye goal line 13 times.

In fact, they have had a chance to celebrate but one touchdown in Delaware since Dr. Wilce took the reins and led his charges into the Western Conference in 1913. That was in 1915, when Ohio State rolled up the long end of a 19 to 6 score.

Just how impressively Dr. Wilce's teams have performed against Ohio Wesleyan since 1913 is indicated by the fact that they have amassed 320 points against 6 for Wesleyan in the last nine years, while in 13 games played previous to 1913 the Scarlet and Gray elevens had managed to pile up only 251 points and had allowed Wesleyan 81. The grand total for all time is: Ohio State 571, Ohio Wesleyan 87 points.

The highest score in a single game was recorded in 1913, when the first Buckeye entry in the Western Conference opened the saeson by slaughtering Wesleyan 58 to 0. Twice since the Buckeyes have passed 50, ringing up a 53 to 0 score in 1917 and a 55 to 0 count in 1920. Both times the feat was accomplished by elevens that later went through defeatless seasons to Western Conference championships.

The 1917 outfit stands as the most powerful scoring machine ever turned loose with a Wilce trade mark. It piled up 292 points. Opponents managed to annex six points, Indiana and Wisconsin squeezing a field goal each.

No one who saw the Ohio State-Ohio Wesleyan game last year will need an introduction to Olin Smith. Though Wesleyan lost, Smith emerged with honors as the individual star of the fray. Today he leads the first visiting team into the new Ohio Stadium.

Ballenger played center for Ohio Wesleyan against Ohio State last year. He is slated to perform in the same position again today.

Away for a long run on every filling

Like a brilliant open field runner the "Twins of Power" are quick in get-a-way, and lead the field for speed and power. They are steady in "pick up" and are full of fight in the hard pulls. **Purol** is sure firing, hard hitting gasoline. It gives a full power thrust on every turn of the motor. **Tiolene** is tenacious, full bodied, heat resisting motor oil. No chance for scored cylinder or burned out bearing when your crank case is filled with Tiolene. Use these two together for year around driving. The "Twins of Power" cost no more at the pump, and give maximum mileage on every filling.

SPIRIT OF OHIO. "Tubby" and the band exemplify it in the minds of thousands. Where the football team goes, there the band goes, too. Generally they share honors, as on the Midway last November, when the team triumphed over Chicago, conqueror of Princeton, and the "O-H-I-O" and "C-H-I. U" formations of the band left an equally indelible impression.

This year the band is better equipped than ever. New instruments have been purchased to keep the big drum company. Over one hundred bandmen, smart in newly embellished uniforms, have again taken up their jaunty tread behind the now famous Essington strut. "Tubby" and his gang are the life of the party.

Songs and Yells

OHIO WESLEYAN

Wesleyan, let us all unite and sing,
Wesleyan, we praise her worthy name;
Wesleyan, world-wide her accents
ring,
Wesleyan, with still increasing fame.

CHORUS.

Ohio, come cheer for Wesleyan;
Ohio, from Eastern land and West,
Ohio, we're loyal ev'ry man!
Ohio Wesleyan! The school we all
love best.

(Cho.)

Red and Black are the colors waving
high,
Red and Black, they hold victorious
sway;
Red and Black, win first place is our
cry,—
Red and Black, we laud thee ev'ry
day.

(Cho.)

ALMA MATER SONG

Oh, we're from dear old Wesley'n,
The school to us most dear;
It's the place we love the best,
Finest school in East or West;
So we will hail the name we all re-
vere.

We love our Alma Mater,
Her glories we will tell;
In everything we take the lead,
Sport and thought and noble deed;
And so for Wesleyan we'll give our
yell:
"Rah! Rah!"

CHORUS

So here's to old Wesley'n,
Loud we will sing!
We'll drink a toast to Wesleyan
From the good old Sulphur Spring.
Then here's to old Wesley'n,
Join every man!
We'll drink a toast from the Sulphur
Spring
To Wesleyan!

Her students all are loyal,
They're for her to the man;
The men are manly, brave and true,
They're the ones to dare and do—
The kind of men you'll find at Wes-
leyan.

And then, there are the ladies,
Who grow to us most dear;
They're the pride of old Monnett.
Sweet and beautiful, you can bet,
And now for them we'll give a
hearty cheer:
"Rah! Rah!"

CARMEN OHIO

Words and Music by
Fred Cornell, ex-'06

(Hats off, standing)

O, come, let's sing Ohio's praise
And songs to Alma Mater raise;
While our hearts rebounding thrill
With joy that death alone can still.
Summer's heat or winter's cold,
The seasons pass, the years will roll;
Time and change will truly show
How firm thy friendship—Ohio.

These jolly days of priceless worth
By far the gladdest days on earth,
Soon will pass and we not know
How dearly we love Ohio.
We should strive to keep thy name
Of fair repute and spotless fame;
So in college halls we'll grow
And love thee better—Ohio.

Alumni Chorus

Tho' age may dim our mem'ry's
store,
We'll think of happy days of yore,
True to friend and frank to foe,
As sturdy sons of O-hi-o.
If on seas of care we roll,
'Neath blackened sky, o'er barren
sboal,
Thots of thee bid darkness go,
Dear Alma Mater—O-hi-o.
(All in on last Ohio.)

THE BUCKEYE BATTLE CRY

Words and Music by Frank Crummit

In old Ohio there's a team,
That's known thruout the land;
Eleven warriors, brave and bold,
Whose fame will ever stand,
And when the ball goes over,
Our cheers will reach the sky,
Ohio field will hear again
The Buckeye Battle Cry.

Drive! drive on down the field,
Men of the scarlet and gray;
Don't let them thru that line,
We have to win this game today,
Come on, Ohio! Smash thru to vic-
tory,
We cheer you as we go;
Our honor defend
So we'll fight to the end
For Ohio.

ACROSS THE FIELD

Words and Music by
W. A. Dougherty, Jr., '17

Fight that team across the field,
Show them Ohio's here,
Set the earth reverberating with a
mighty cheer.
Hit them hard and see how they fall;
Never let that team get the ball,
Hail! Hail! the gang's all here,
So let's beat that Wesleyan now.
Oh, Ohio! Oh, Ohio! Wa-hoo! Wa-hoo!
for Ohio!

Ohio State football teams won Ohio Conference championships in the following years: 1900, 1906, 1912, 1914 and 1915.

Tied with Oberlin in 1913.

No championship in 1904. Oberlin beat State. State beat Case. Case beat Oberlin.

Ohio State and Case both claimed the championship in 1905.

Ohio State entered the Western Conference in 1913. Eliminated from Ohio Conference standings in 1916.

Won Western Conference titles in 1916, 1917 and 1920.

Harold G. Olsen, former Wisconsin basketball and football star, is the newest member of the Ohio State coaching staff. Mr. Olsen joined the family this fall. He immediately made himself valuable as a coach of dropkick-ing. His big job is ahead, however, for he will be in full charge of the varsity basketball squad.

Wisconsin won a Western Conference basketball championship and Olsen earned all-Western honors as a guard in 1916-'17. Later he produced three champ fives and a runner-up in four years as coach at Ripon College.

Both in build and performance, Petcoff is a second Pixley. Last year Boni subbed enough to gain valuable experience. He has been making his 210 pounds felt.

Trott played guard on the title-winning 1920 team and the near-champ 1919 and 1921 elevens in a manner to win numerous mentions by critics in their selection of mythical All-Western Conference and All-American elevens. 343 MILES OF PRENTICE LUMBER

WERE USED IN THE CONSTRUCTION OF
OHIO STADIUM

If the lumber furnished by the Edwin A. Prentice Company for Ohio Stadium were stretched out in a single board 6 inches wide it would extend 343 miles, or approximately the distance between Columbus and Harrisburg, Pa.

Eighty-one carloads or 1,800,000 feet of lumber were needed in the construction of this, the world's largest athletic structure.

Few people realize that lumber was one of the four most essential elements entering into the construction of the Stadium. Without lumber it would have been impossible to pour the concrete, and therefore the selection of the company to supply the lumber was of the highest importance.

We are justly proud that Prentice Lumber was selected. It has been a pleasure to associate ourselves with the E. H. Latham Company and we wish to take this opportunity to congratulate them upon the successful work they have accomplished.

Though greatly pleased when called upon by the E. H. Latham Company to supply the lumber, we were not surprised when awarded the contract, for Prentice Lumber always has been of the best quality.

In selecting materials for the Stadium the best possible companies were chosen, and in the lumber field the E. A. Prentice Company always has been considered a leader.

However, we consider it a mark of honor to have been picked from the many companies bidding for the lumber contract, as this proves that Prentice Lumber is recognized as the best by those who are in a position to know.

If it was, it was not only essential that high grade lumber be used but also it was of the highest importance that the company chosen be able to meet the heavy demand for immediate shipment.

In both these respects the Prentice Lumber Company qualified in every way.

Changes In Football Rules For 1922

Choice of Goal or Kick-Off

At the start of the game the winner of the toss may elect whether he desires to kick off or choose the goal which he is to defend. In case the winning captain decides to kick off, the loser shall have the right to elect which goal he will defend. If the winner of the toss selects the goal, then the loser shall have the choice of kicking off or of receiving the kick-off. These choices, once made, are not revocable. At the beginning of the third period these privileges as to choice shall be reversed.

Try-For-Point

The try-for-point now takes the place of the place-kick formerly allowed after a touch-down. Under the new rules the side scoring a touch-down is permitted to bring the ball out to any point not less than five yards from the goal line, or to any greater distance if they choose, and there the ball is put in play by scrimmage with the side which has just scored having possession of the ball.

They can make any play which is legal from an ordinary scrimmage and endeavor to score by a place-kick, drop kick, a run, a forward pass, etc. Should they by any of these means in a single play put the ball over the goal line, or should they kick a field goal, they will be awarded an extra point.

Should they fail on any of these attempts, the ball becomes dead, play ceases, and the ball is taken back for kick-off, as was done under the old method when the try for goal had proven unsuccessful.

Should the defensive side commit a foul on this play, the attacking side is awarded a point whether or not their attempt to score was successful.

Should the offensive side commit a foul or try an illegal play, no point can be made and the kick-off follows immediately.

Should both sides commit a foul, the play will be tried over again under the same conditions. It should be remembered that time is out during all the attempts in a try-for-point.

Clipping

Clipping is defined as "throwing the body from behind across the leg or legs (below the knees) of a player not carrying the ball". In other words, any man who is pursued and cut down from behind has been the victim of clipping. The penalty is loss of fifteen yards from the spot where the ball was put in play.

Substitution of Players

A player taken out in one half cannot return to the game in the same half, but a player who has been taken out in the first half may return to the game in the second half at any time.

Offside Man Touching Kicked Ball

If an offside man touches a kicked ball inside the opponents' ten-yard line, the defenders of the goal are awarded a touch-back and gain possession of the ball on their own twenty-yard line. If an offside man touches a kicked ball on any other part of the field, it shall go to the opponents at a point five yards in advance of

the spot where the ball was touched. It should be remembered however that the defensive team may run with the ball and decline this penalty if they so elect. In other words the ball is not automatically dead when touched by an off-side man. On a kick, an off-side man is any man of the kicking side who was ahead of the ball when it was kicked.

Shift Plays

In all shift plays, "both feet stationary on the ground" is interpreted to mean that a sufficient momentary pause occur as to admit of officials seeing that the play is legal, and that the ball was not snapped while the men were in motion. It is the intention of the rule that when a man shifts to a new position, he shall come to a full stop, so that all momentum is lost, and make a new start from a position of rest when the ball is put in play.

Requests For Time Out

Each captain may request time out three times during each half without a penalty as in former years. A fourth request, however, entails a two-yard loss and the linesman's stakes are not moved as in previous years.

Interference Under a Forward Pass By The Offensive Team

If a player of the side making the pass, after crossing the line of scrimmage and after the pass has been made, interferes in any manner with an opponent before the ball has been touched, except in an actual attempt to catch or bat the ball himself, then his team shall suffer a fifteen yard penalty from the spot of the preceding down and the play itself shall count as a down. (Last year it counted as a down only.)

If, however, such offense occurs during a play following the fourth down, the ball shall go to the opponents fifteen yards back of the spot of the preceding down. If the offense occurs behind the goal line on any down, the ball shall go to the defenders of the goal as a touch-back.

Man-In-Motion Rule

If a player is moving from the line of scrimmage towards his own goal, he must, at the instant the ball is put in play, be at least five yards back of the line of scrimmage and another man must take his place on the line of scrimmage as seven men must be on this line when the ball is put in play. Penalty for violation—five yards.

As in previous years a man back of the line of scrimmage may be in motion either directly or obliquely towards his own goal at the instant the ball is put in play, without penalty.

On kick-off and free kicks the players may be in motion in any direction providing they are behind the ball when it is kicked.

Approved Rulings

Thirty-two approved rulings which have heretofore been published at the end of the football rules are this year placed in the football code itself and made a part of the different rules which they are intended to interpret. Approved rulings are made by the football rules committee.

Time shall not begin again, after any of the aforesaid, until the ball is actually passed back from center.

ANNOUNCEMENTS BY THE MANAGEMENT

Utmost effort has been exerted to have the Stadium in readiness for the football season of 1922. Nevertheless some of the niceties that contribute to the comfort and enjoyment of patrons are still lacking. The Athletic Board begs indulgence for the few weeks still necessary to make the new plant one of the finest recreation centers in the world.

A LOST AND FOUND DEPARTMENT has been established at the Athletic House, Sixteenth Avenue and High Street. Articles found should be turned over to the ushers or left at the Athletic House.

ONLY ONE CONCESSION, that covering the sale of refreshments, is licensed by the Athletic Board and thereby privileged to sell within the Stadium.

DOCTORS may leave their seat numbers with the clerk stationed in the northeast tower and will be notified in case a call is registered for them.

PARKING SPACE FOR AUTOMOBILES is provided east of Neil Avenue, between Eleventh and Twelfth Avenues; at Woodruff and Neil Avenues; in city streets north of Woodruff Avenue, south of Eleventh Avenue and east of High Street; on the campus oval; and across the river.

EVERY COURTESY should be extended visiting teams and officials.

EVERY EMPLOYEE WEARS A BADGE bearing a number. Misconduct or discourtesy on the part of attendants should be reported to L. W. St. John, Director of Athletics.

THIS PROGRAM IS PUBLISHED under the direction of the Athletic Department. Address inquiries concerning information or space to the Director of Programs, Athletic House, Ohio State University.

STARS IN REPUBLICAN STATE LINEUP

FOR GOVERNOR

CARMI A. THOMPSON

(Ohio State '92)

FOR U. S. SENATOR

SIMEON D. FESS

(Ohio Northern '89)

With as much interest as Collegians are evidencing in the battle between Ohio State and Michigan, offered as a Home-Coming attraction for the new Stadium, nearly 6,000,000 people of Ohio are looking forward to the contest to be waged at the polls on Tuesday, November 7, 1922, between the two major parties. The Republican team never was in better shape for a winning struggle. There are no discords in the ranks and it was never blessed with more able leadership nor backed by stronger popular enthusiasm.

The real element of success in any contest is the measure of enthusiasm behind the team. Ohio Republicans are united in support of their men and the moral support back of their efforts has been steadily growing since the big "Fog Raiser" of October 3rd, at Memorial Hall, the influence of which has penetrated to every quarter of the State. Everything is set for the fray and the Republicans await the contest with enthusiasm and confidence. If every Republican, man or woman, goes to the polls and supports the ticket, before midnight on November 7th the hills and valleys of Ohio will reverberate with the victorious cheer:

Team, Rah; Team, Rah! Rah, Rah, Team!!
