Faculty Editors: Deborah Jones Merritt, John Deaver Drinko/Baker &  
Hostetler Chair in Law, The Ohio State University; Barbara F. Reskin,  
Professor of Sociology, Harvard University.

The papers in this Symposium were presented at The Ohio State University College of Law on April 3–4, 1998. The editors of the *Ohio State Law Journal* would like to acknowledge all the people who made possible the Symposium in which these papers were presented. Special thanks is extended to Barbara Reskin and Deborah Merritt, our faculty editors, for bringing together such wonderful participants. Brad Johnston, our Articles & Symposium Editor, worked countless hours to plan and organize this event, and, without his assistance, we are certain that this Symposium could never have occurred. The *Journal* also thanks Gregory Williams (Dean of the College of Law), Barbara Snyder (Professor of Law and Director of the Sociolegal Center), and the Sociolegal Center for providing the funding that made this Symposium possible.

There are many others who helped make this Symposium a success. Though space limitations prevent us from naming all of them, their assistance was invaluable and greatly appreciated.
