

How to Use the Bibliography

- 1) **Refer to the Subject Heading Outline starting on page xi to select the area of alternative dispute resolution that you want to research.**
- 2) **After selecting an area, note the search term to the right of the subject heading, and use the Index Number to the left of the heading to locate the search term in the Index to Articles by Author beginning on page 701.**
- 3) **Under each search term, there is a list of authors for the articles identified by that search term.**
Note: Articles without authors are listed by the first two words in the title and appear first in the Alphabetized Bibliography Entries.
The complete entry can then be located by the author's last name (or the first two words of the article if there is no author) in the Alphabetized Bibliography Entries starting on page 549.
- 4) **A bibliography entry may contain multiple search terms; if you want to find the corresponding Index Number for any of the search terms, use the Subject Heading Outline starting on page xi.**
