Present

*The Second Annual
Humanism in Medicine Last Lecture Series*

Featuring Charles Hitchcock, MD, PhD
Faculty Emeritus, Department of Pathology
Expert Educator, OSU College of Medicine
Professor of the Year, Class of 2003

The Last Lecture by Randy Pausch first appeared in print in 2008. Dr. Pausch simply asked, “What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy?”

We welcome Dr. Charles Hitchcock, the beloved medical educator and mentor as our speaker for the second *Last Lecture* speaker. Please join us as he shares his wonderful stories, his pathology-based sense of humor and his love of teaching.
