NOTES OF INTEREST

FAMOUS NATIVE SON RETURNS HOME - The Lima Campus will host a day of festivities to honor famous jazz musician Joe Henderson. Henderson, an internationally acclaimed tenor sax player, will receive the key to the city of Lima from Mayor David Berger at a noon luncheon in Reed Hall. He will also receive the American Federation of Musicians' highest award from Local 320's President, Roger Detrick. Martha McDonnell of American House will also make a presentation. Henderson will hold an "open workshop" for area high school and college jazz musicians in the Auditorium from 2:00-3:30. At 8:00 p.m. Joe will play a "homecoming" concert in the Auditorium. A reception in the cafeteria will follow the concert to celebrate Joe's birthday and enable him to greet all of his old and new friends.

TREATS FOR YOUR TUMMY ! - Descend to the Galvin Basement on Tuesday April 14th for the Respiratory Care Student Association's Spring Bake Sale. You can get your "after lunch" dessert from 12:00-3:00 from an array of home baked treats!

STUDENT SENATE BOOK SCHOLARSHIP RECIPIENTS ANNOUNCED - Congratulations to Julie Wildermuth (OSU-Lima) and Amy Mumma (LTC) who were awarded book scholarships for their academic achievements and for their campus involvement. Applicants for the second annual award included many current campus leaders. Student Senate takes this opportunity to also congratulate Michelle Hall the new Senate Vice President.

SOCIAL ACTIVITIES BOARD WANTS YOU! - Plans are under way for the greatest MAY WEEK in campus history! The S.A.B., sponsor of the festivities, welcomes new members at any time and encourages you to bring your ideas to their next meeting on Wednesday April 15 at 3 p.m. in the Student Activities Office GA066. MAY WEEK this year will be held May 4 through Saturday May 9 when the "Battle of the Bands" will be held. Five great groups will be competing for the top prize. Be sure to come to the next S.A.B. meeting and join the fun!

LIMA CAMPUS BECOMES ENVIRONMENTALLY AWARE - A task force of Lima Campus students including many members of the Student Senate, will attempt to audit the amount of recyclable materials the campus uses in a week's time. They hope to institute a Recycling program and need everyone's cooperation. All campus offices, computer labs, etc. will be collecting white paper. Collection boxes will be distributed throughout campus in which to put this recyclable item and students will get it to the recycler. The students have also taken over the recycling of aluminium cans, so be sure to continue to dispose of your cans in the boxes marked for them. Our landfills are filling fast and nobody wants a new one in their backyard! So each little thing that we can do to recycle used materials helps cut down on the waste stream. Let's Do It!

BUSINESS PROFESSIONALS MAKING PLANS - All members of Bus. Prof. of America are urged to attend upcoming meetings on Tuesday April 14th and Tuesday April 21st at 2:00 in TEL 137. On the agenda are plans for the National Convention, the 50/50 drawing, and some special projects that are planned for this quarter.

JOIN THE OSU/LTC WALKAMERICA TEAM! - Put on your walking shoes and join the LTC/OSU WalkAmerica Team. Students, faculty, and staff will join together in this 11 mile walk to help fight Birth Defects for the March of Dimes. See Jim Clark, our team leader, in Reed 119 or call him at Ext. 431 to sign on. It's a great way to start your spring shape up!
