

Judges on Judging

On behalf of the editors of the *Ohio State Law Journal* we are pleased to announce a new series entitled Judges on Judging. The series will provide a forum for judges to discuss, and perhaps resolve, the varied issues facing the judiciary. The focus of the series will be determined by the judges themselves based on their perceptions of the areas that need to be addressed.

We anticipate that each issue of the *Journal* will contain at least one judge's article or commentary, and it is our hope that the series will become a permanent part of the *Ohio Sate Law Journal*.
