Senate Awareness-- Senate Awareness is responsible for advertising the events that Senate sponsors. This committee is also in charge of the various suggestion boxes placed throughout campus. When Senate acquires a computer, students will be able to make suggestions to Senate via E-mail. This committee is responsible for all public relations.

Issue Awareness-- Issue Awareness is responsible for planning lectures, discussion groups and educational forums on contemporary issues. We are currently in the process of organizing an informational lecture and movie for Black History Month.

If you would like to volunteer, contact Troy Green in GA 066. Special Projects also sponsors activities for student enjoyment, including the balloon sale, bachelor auction, and the Human-I-Tee shirt sale. A dinner will be prepared at the Men's Rescue home February 23rd. If you are interested in helping, stop by the Senate office in GA 066.

President's Report

I want to thank all the Student Senators for getting Senate off to a good start. It's refreshing to see such a positive attitude in all the work Senate has undertaken.

We have many worthwhile projects to work on throughout the year and all of the committees are doing a fine job. We have singled out Camp Robin Rogers as the main focus of our charitable fund raising. I feel this is a very worthwhile project.

If all of us remain focused on our goals I'm sure the entire campus will benefit from the work of this year's Student Senate.

Again, thanks to all of you for pitching in. Keep up the good work.

William Elliott
President, Student Senate

Student Suggestions
