

Preparation of a Manuscript
For Publication in
The Ohio Journal of School Mathematics

1. The manuscript should be original typewritten copy, double spaced with one-inch margins on 8 $\frac{1}{2}$ by 11 inch paper.
2. The title of your article should be brief and meaningful.
3. Place your name and school address between title and text.
4. Drawings and Tables must be done in black ink with any numbers or letters included being as large as elite type.
5. References and footnotes are to be numbered consecutively throughout the article and indicated by superior numbers.
6. Proof read your article carefully before sending it.
7. Send two copies of your manuscript to:

Harold Brockman
