TEXNIKOI TO INITIATE

Texnikoi, the engineering honorary, pledged fifteen men on January 19 at the Sigma Chi house. This was the start of a long line of events traditional in Texnikoi history. The pledges will hold an informal initiation on February 12, and formal initiation the next evening at the Fort Hayes Hotel. Those pledged were Jim Sheets, Richard Connell, Roy Abel, Charles DeMuth, William Fell, Roger Ball, Bernard Hatten, Charles Huber, Edward Romatowski, Lewis Hullinger, William Leslie, James Johnson, Robert Lothes, Joe Dorst, and James Wittenmyer.

During initiation the neophytes will wear a formal coat, tie and shirt, with breeches and boots representing both the social and active life of the engineer.
