Appears in Collections: [Ohio State Engineer: Volume 9, no. 3 \(April, 1926\)](#)

Mr. C. E. Skinner, M. E. 1890, assistant director of engineering of the Westinghouse Electric and Manufacturing Company, addressed the Baltimore section of the American Institute of Electrical Engineers on March 19. His subject was "Mechanical Power and Trends of Civilization."

Mr. Horace N. Packard, '08, recently resigned his position with the Cutler Hammer Company of Milwaukee, and since January 1st has been with the American Branch of the Cambridge Instrument Company, now located at Ossining, New York. His home address is 59 James Street.

Mr. Lloyd Yost, '02, has recently been made Manager of the Research Division of Fairbanks Morse & Co., with headquarters in Chicago.

Conrad W. Traut, '24, is now living at 196 Kenret Court, Canton, Ohio, and is Chief Engineer and Assistant Manager of the Columbia Wire and Iron Works of that city.

R. I. Plumber, '25, is with the Remy Electric Co., Anderson, Indiana. His home address is 2006½ Jackson Street, Anderson.

Harold Matthew Moore, B. M. E., '24, died at Dallas, Texas, November 8th, 1925, being twenty-six years and eighteen days of age. He was Mechanical Engineer with the American Coal Cleaning Company, at Welch, W. Va. He is survived by his wife, who was Miss Nanny Louise Washington, to whom he was married June, 1923, and by one daughter. He was a member of the Presbyterian church at Jerusalem, Ohio, at which place his body was interred on November 12, 1925.

ELECTRICAL ENGINEERING GRADUATES IN THE REGIONAL MEETING OF THE AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

The following graduates of the Department of Electrical Engineering work on the committees for the Middle Eastern Regional Meeting of the American Institute of Electrical Engineers, held at Cleveland on March 18th and 19th:

G. B. Schneeberger, '17, who is with the Cleveland Illuminating Co.

Austin Lloyd, '14, with the National Carbon Company.

R. A. Metzger, '14, with the Ohio Bell Telephone Company.

G. E. Miller, '15, with the Reliance Electric Company.

All of these men are located in Cleveland.

There are also acting on the reception committee:

R. J. B. Feather, Chairman of the Columbus Section, Columbus Railway, Power and Light Company.

Ralph Higgins, '12, Chairman of the Akron Section, Ohio Brass Company.

W. M. Dann, '02, of the Westinghouse Elec. & Mfg. Co., representing the Pittsburgh Section.

On Friday morning, March 19th, C. F. Kettering, '04, gave a demonstrated lecture on "Some Scientific Phases of Refrigeration." Professor Caldwell was present and took part in a meeting of the University Branch Councilors on Friday.

ENGINEERING COLLEGE GRADUATES ON THE COMMITTEES OF THE AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS

Graduates of the Engineering College are playing an important part in the work of the national engineering societies. Among the Electrical Engineers no one is so outstanding in this work as Mr. C. E. Skinner of the class of 1890. Besides being on five Institute Committees he is one of the representatives of the society on the national committee of International Electrotechnical Commission. He is also a representative of the Society on the American Engineering Standards Committee and on this committee he is now serving as Secretary and giving much of his time to its work.

Mr. C. F. Scott of Yale University besides being on one technical committee is representative on the American Engineering Council and on the Commission of Washington Award. Mr. H. B. Brooks, class of 1903, of the National Bureau of Standards, is Secretary of the Committee on Instruments and Measurements.

Other graduates who are on one or more of the committees are Mr. R. D. Mershon, 1890, Professor P. M. Lincoln, 1892, of Cornell University, Mr. Walter M. Dann, 1902, Westinghouse Electric and Manufacturing Company, and Mr. L. W. Chubb, 1905, of the same company.

OTHER ELECTRICAL NOTES

Mr. George J. Johns, '24, has recently taken a position as Instructor in the Electrical Engineering Department of the University of Nebraska.

Mr. Louis D. Forward, '24, has been with the Gulf Refining Company in Texas, has gone to New York to be with the Pennie, Davis, Marion and Edwards, Councillors-at-Law, 165 Broadway.

Mr. Cesar Suffriti, '23, is now located in Obras de Salubridad de la Nacion, Buenos Aires, Argentina.

Mr. Jose Melman, '23, is now at Calle Mendoza entre San Geronimo y Adejulio, Santefe, Prov de Santeffe, Argentina.

Mr. M. R. Smith, 11, holds a position as Plant Engineer with the Wall Rope Works, Inc., at Beverly, N. J.

Mr. L. R. Lee, '06, has left the E. W. Clark Company of Columbus to go with the Consumers Power Company of Jackson, Michigan.

Mr. F. C. Nesbitt, '05, has left the E. W. Clark Company of Columbus to enter the employment of the Dennis Engineering Company, Joyce Building, Columbus.

CIVIL ENGINEERING

Samuel B. Folk, '20, is instructor in the North Dakota Agricultural College. His address is State College Station, Fargo, N. D.

E. P. Hagemeyer, '05, lives not far from Dr. Thompson in Denver and hears him preach, so is continuing the training he so enjoyed at the University. His address is 1636 California Street, Denver, Colorado.

G. A. Ritchie, '02, owns and operates an electric light plant at Cachipay up in the mountains of Columbia, S. A. His industry is one of the mainstays of the town.

Tom A. Kelley may be reached care of George A. Fuller Co., News Bldg., Miami, Florida.

Walter Scott Lee, '10, writes a long letter from Orange, N. J., and would like to see any of his old friends who happen by. His address is 73 South Walnut Street.

George T. Newman, '18, is with the American Bridge Company at Gary, Indiana, where he lives at 212 Ellsworth Street.

O. D. Ides (Theocarides), '21, may be addressed at Post Office Box 402, Madison Square, New York City.

J. B. Shklar, '11, is in the U. S. Patent Office, Division 29, Washington, D. C.

A. J. Hegele, '09, is Assistant Bridge Engineer on the Wheeling & Lake Erie Railway, and may be reached at 806 Huron-Sis Building, Cleveland, Ohio.

Arthur G. Wyatt, '25, is on hydro-electric engineering projects, with headquarters in Corning, New York. He lives at 65 East First Street.

K. H. Kinkley, '23, is Deputy County Surveyor at Coshocton, Ohio.

H. A. Brentlinger, '22, is working for the Illinois State Highway Department at Effington, Illinois.

L. H. Strom, '06, may be reached at 45 East Fifty-fifth Street, New York City, which is his permanent address.

E. J. Salsinger, '22, is working for the Illinois State Highway Department and may be reached at 512 Metropolitan Building, East St. Louis.

R. D. McKeon, '02, is Superintendent of the Chicago Terminal Division of the Pennsylvania Railway system with headquarters at 323 West Polk Street, Chicago, Illinois.

D. E. Davis, '08, is with the J. N. Chester Engineers, with headquarters in the Union Bank Building, Pittsburgh, Pennsylvania.

H. G. Dill, '22, is working on a large estate at Ashville, N. C. He may be reached, care Carl R. Frye, Landscape Architect, 20 South Third Street, Columbus, Ohio.

W. C. Bell, '05, is President of the Case Hardening Service Company, 2281 Scranton Road, Cleveland, Ohio.

Floyd L. Reed, '25, is contracting at Hollywood, Florida.

L. C. F. Balz, ex. '02, is with the Lauderdale Engineering and Construction Company, Lauderdale, Florida.

C. E. Pettis, '23, is a Civil Engineer at Toledo, Ohio, and may be reached at 3535 Watson Avenue.

W. W. Fleming, '17, is Assistant Division Highway Engineer at Athens, Ohio.

Joseph H. Chubb, '04, is Manager of the Service Bureau of the Universal Portland Cement Company and has charge of that work for the company over the entire United States.

L. B. Ganble, '25, and C. F. Fites, '25, have been working this winter for the Oregonia Bridge Company at Lebanon, Ohio.

O. H. Pocock, '16, may be reached at 110 Grove Avenue, Detroit, Michigan.

V. D. Gorsuch, '15, is at 2929 West Liberty Street, Pittsburgh, Pennsylvania.

G. J. Kane, '24, is in the Bridge Department of the State Highway Commission at Columbus, Ohio.

Paul H. Boldt, '25, is with the C. B. Harrop Company (tunnel kilns), at 310 West Broad Street, Columbus, Ohio.

George D. Brush, '21, is stationed at Orlando, Florida, where he is installing a brick plant for The C. B. Harrop Company. M. S. Bailey, '24, is installing a plant for the same concern at Mt. Clemens, Michigan.

C. E. Allen, '25, is engaged in engineering work at Newell, West Virginia.

R. J. Shaffer, '23, is with the Columbus Builders Supply Company, at 145 North Front Street, Columbus, Ohio.

E. J. Kissel, '10, is Division Engineer of the New York Central Lines at Galion, Ohio.

W. H. Knox, '14, is an engineer for the State Board of Health, Columbus, Ohio.

George V. Long, '16, is City Engineer of Owosso, Michigan.

A. H. C. Shaw, '17, has recently gone with the City Planning Commission of Cleveland, and has headquarters in the City Hall there.

Howard F. Bell, '09, is Civil Engineer and County Surveyor at Cody, Wyoming.
