Approved minutes from Faculty Advisory Council (FAC) May 13, 2024 meeting.

Discussed closures of library buildings in early May with guests Dean Jaggars and Assistant Vice President Schulte. The closures were university level decisions. Considered lessons around communication, especially closed vs. mediated access, in case similar locking of buildings happens again. Guests left at the end of this discussion.

Alison Armstrong provided notes from two recent FAN meetings.

Plans are beginning for Professional Practice Faculty (PPF) on-boarding.

Reflected on the year as this is the last meeting of this academic year.
