YOU ARE CORDIALLY INVITED TO BE A JUDGE AT STATE SCIENCE DAY

Here is an opportunity to show your interest and faith in Ohio's finest science and math students by judging their research projects on behalf of The Ohio Academy of Science.

WHO: Anyone interested in helping to *discover and foster interest in science and math among students in grades 7-12.*

WHAT: State Science Day

WHEN: Saturday, April 19, 1997 - 8:30am - 12:30pm

WHERE: Ohio Wesleyan University, Delaware, Ohio

WHY: If we are going to produce a scientifically literate society and recruit scientists, engineers and medical professionals for tomorrow, it is absolutely essential, today, that practicing professionals show a sincere interest in today's students and their development. Your involvement in State Science Day is a concrete example of that commitment. *You'll have the opportunity to touch the future of Ohio, the Nation, and the World.*

HOW: Please call 1-800-OHIOSCIence to receive additional information about judging at State Science Day, or write to The Ohio Academy of Science, 1500 W. Third Ave. Ste. 223, Columbus OH 43212-2817.
