

Political Economy and International Security Speaker Series

**James Morrow**  
University of Michigan

"The Enemy Outside and Within: War and Changes of Leaders and Regimes."

**September 26, 2003**  
**12:00 p.m. \***  
*Mershon Center*  
*Room 120*

James D. Morrow is Professor of Political Science and Senior Research Scientist, Center for Political Studies at the University of Michigan. He is best known for his work applying noncooperative game theory to questions of international relations theory. He is the author of *Game Theory for Political Scientists* and *The Logic of Political Survival*, coauthored with Bruce Bueno de Mesquita, Alastair Smith and Randolph M. Siverson. He is currently working on a book about how norms matter in international politics, specifically focusing on the laws of war.

\*R.S.V.P. to [Ann Powers](#) if you plan to attend this event.
