## ECONOMICS SECTION FORMED

The Executive Committee has approved a petition from more than 70 persons for formation of an *Economics Section* of The Ohio Academy of Science. A round table on Stimulation of Economic Development of Ohio is planned for the morning of Friday, April 23, 1976 at Miami University, and an organizational meeting will be held in the afternoon. The scope of the Section's interest is expected to cover the entire area of economic analysis and policy, with special emphasis on matters relating to the economy of Ohio and the region of which it is a part. All persons with professional interest in Economics, whether from the academic, government or business community, are invited to join this new Section.
