The Honorable William J. Brennan, Jr.

William J. Brennan, Jr.

Hooding Address

Doctor of Laws Recipient

The senior member of the Supreme Court of the United States, Associate Justice William J. Brennan, Jr., has been acclaimed as one of the greatest jurists in this nation's history. Colleagues and legal scholars characterize him as an advocate of a liberal philosophy in the face of increased conservatism on the court, as a champion of civil liberties, and as an intellectual leader. He has been acclaimed for his well-crafted opinions, his integrity and fairness, his vision of constitutional law in which the protections of the Bill of Rights are given an expansive interpretation and his vision of the role of the Supreme Court in ensuring these guarantees.

His involvement in decisions relating to legislative reapportionment, equal protection, religious liberty, criminal procedure, and freedom of expression has had a profound effect on the course of society during his more than three decades on the Court.

Justice Brennan was born in Newark, N.J. He earned a Bachelor of Science degree from the University of Pennsylvania's Wharton School of Business in 1928 and received his law degree from Harvard University in 1931.

He was admitted to the New Jersey bar in 1932 and practiced law in Newark for 10 years. In 1942 he entered the Army and served on the staff of the undersecretary of war before leaving with the rank of colonel in September 1945. He was awarded the Legion of Merit.

He returned to private practice in Newark and, in 1949, was appointed to the New Jersey Superior Court. After service as a judge in the appellate division of that court and as an associate justice of the New Jersey Supreme Court, Justice Brennan was appointed to the United States Supreme Court in October 1956 by President Dwight D. Eisenhower.

Justice Brennan has been widely recognized for his contributions to American jurisprudence. Institutions that have awarded him honorary degrees include New York University, the University of Pennsylvania, the University of Notre Dame, Harvard University, Princeton University, Columbia University and Brandeis University.

The Ohio State University is proud to confer upon this distinguished jurist the honorary degree, Doctor of Laws.

Alma Mater - *Carmen Ohio*

Led by Jenifer Lynn Bernard Rasor
Belinda Henderson Simile

Oh! come let's sing Ohio's praise,
And songs to Alma Mater raise;
While our hearts rebounding thrill,
With joy which death alone can still.
Summer's heat and Winter's cold,
The seasons pass, the years will roll;
Time and change will surely show
How firm thy friendship—Ohio.

The Juris Doctor Hood

Ceremonies and symbolism share an important part of the human experience by providing tangible signs of personal achievement and commitments. Today, the investment of the Juris Doctor Hood and the presentation of the diploma case, soon to be filled with the official Juris Doctor degree of The Ohio State University, acknowledge hard work, dedication, and exceptional academic achievement of the graduates of the Class of 1987. The academic hood serves not only to remind us of the personal growth and accomplishments of the men and women being so invested, but to remind each graduate of his or her continuing commitment to the values and obligations represented by the Juris Doctor degree. The investment of the hood is symbolic of passage from the status of student to entry into the learned profession of the law.

The wearing of the academic hood is a centuries-old tradition. It is an enduring symbol of high academic achievement and it shall be the privilege of each recipient so invested to wear this hood and gown whenever in the future such academic attire is appropriate. The colors of the hood have their own symbolism. The color of purple represents the study of law and the conferral of the Juris Doctor degree. The colors of the hood lining represent the degree-granting institution, the scarlet and grey of The Ohio State University.
